## **Bad Guys Americas Most Wanted In Their Own Words:**

**Bad Guys** Mark Baker, 1997 They lie steal kill and destroy Cops chase them Hollywood glamorizes them and shrinks try to figure them out Now America s bad guys tell their own stories from their childhoods to how they chose their victims to how they survive in prison Mark Baker the bestselling author of *Nam and Cops* has gone behind the lines to find out why today s criminals started and why they won t stop Their gritty compelling tales are sometimes shocking sometimes funny and always bad to the bone

**On the Lam** Jerry Clark, Ed Palattella, 2019-09-17 Fugitives occupy a unique place in the American criminal justice system They can run and they can hide but eventually each chase ends And in many cases history is made along the way John Dillinger s capture obsessed J Edgar Hoover and helped create the modern FBI Violent student radicals who went on the lam in the 1960s reflected the turbulence of the era The sixteen year disappearance and sudden arrest of gangster James Whitey Bulger in 2011 captivated the nation Fugitives have become iconic characters in American culture even as they have threatened public safety and the smooth operation of the justice system They are always on the run always trying to stay out of reach of the long arm of the law Also prominent are the men and women who chase fugitives FBI agents federal marshals and their deputies police officers and bounty hunters A significant element of the justice system is dedicated to finding those on the run and the most wanted posters and true crime television shows have made fugitives seemingly ubiquitous figures of fear and fascination for the public In *On the Lam* Jerry Clark and Ed Palattella trace the history of fugitives in the United States by looking at the characters real and fictional who have played the roles of the hunter and the hunted They also examine the origins of the bail system and other legal tools such as most wanted programs that are designed to guard against flight

[How to Watch Television, Second Edition](#) Ethan Thompson, Jason Mittell, 2020-03-31 A new edition that brings the ways we watch and think about television up to the present We all have opinions about the television shows we watch but television criticism is about much more than simply evaluating the merits of a particular show and deeming it good or bad Rather criticism uses the close examination of a television program to explore that program s cultural significance creative strategies and its place in a broader social context *How to Watch Television Second Edition* brings together forty original essays more than half of which are new to this edition from today s leading scholars on television culture who write about the programs they care and think the most about Each essay focuses on a single television show demonstrating one way to read the program and through it our media culture From fashioning blackness in *Empire* to representation in *Orange is the New Black* and from the role of the reboot in *Gilmore Girls* to the function of changing political atmospheres in *Roseanne* these essays model how to practice media criticism in accessible language providing critical insights through analysis suggesting a way of looking at TV that students and interested viewers might emulate The contributors discuss a wide range of television programs past and present covering many formats and genres spanning fiction and non fiction broadcast streaming and cable Addressing shows from TV s earliest days to contemporary online
