Become an influencer and build a business with no money on Instagram. *Instagram Influencer Secrets* Charlotte Sterling, 2019-06-07. Want to turn your Instagram followers into dollars? Are you looking to build your business on Instagram and need the best strategy to get started? Wait, I can make money with Instagram. Yes, indeed, you can keep on reading and I'll tell you more. *Instagram Influencer Secrets* is not going to tell you to purchase a following or to use silly scam accounts to gain bot followers. Why? Because none of those will actually make you a real influencer, especially one who is going to be making money. An influencer is a title you need to achieve. You need to earn that title because that's when you know your audience believes in you and whatever you have to say they will listen. Okay, Instagram marketing. Got it. But where the hell do I even start? What hashtags do I use? What photos should I be sharing? Should I go follow everyone to get started? What time do I post? Do I respond to all comments? Why do some people have emails and addresses and I can't do that? If you're asking yourself all these questions, good, you're taking steps in the right direction. This isn't another crypto-currency
