Twenty Miles Cara Hedley,2007 Isabel Norris has never left the ice Her father was a hockey legend who died before she was born and her grandparents have raised her in his skates When Iz leaves her grandmother behind to play for the Winnipeg University Scarlets she struggles to fit in on this team of hard hitting tough talking women with a penchant for

buffets beer bongs and raunchy humour and a fierce loyalty to one another and to their sport But in their raucousmidst Iz can t quite find her own place in the game As she moves between the rowdy hilarity of the Scarlets dressing room and quiet lyrical contemplations Iz tries to navigate the ways loss plays out on the ice Based largely on author Cara Hedley s three seasons on the University of Manitoba Bison Twenty Miles celebrates women s hockey and offers an uncompromising look at the ways in which the sport both haunts and redeems the women who play it A work of literary fiction that is surprisingly touching honest engaging and unusual both in terms of its subject matter and perspective Hedley stickhandles her way around Iz s conundrum with beautiful agility using deftly lyrical prose and insight to describe the rough and tumble of a hard hitting game and the harsh realities of life Winnipeg Free Press
