Absolute Knowledge:

New Exposition of the Science of Knowledge Johann Gottlieb Fichte, 1869 **Illuminati Bible of Divine Light:**
Part one Sorin Cerin, 2021-07-10 With the appearance of my first philosophical studies but also of aphorisms I initially published the book entitled Bible of the Light and then a more complete form of the book Bible of the Light was the book entitled The Illuminati Bible so that in present to publish the full form of the Bible which I felt that it will be perfected with the help of God and which I decided to call the Illuminati Bible of Divine Light Some will wonder why I chose this name of The Illuminati Bible starting with that book published in 2014 the content of which is also in this book called the Illuminati Bible of Divine Light which in turn contains many other parts Simple Firstly because I wanted to help in Good the Karma of this World because Illuminati and Enlightenment are spoken of in negative terms and secondly because Illuminati comes from Enlightenment and true Enlightenment cannot bring the Evil nor can it be the Evil vile True Enlightenment must be based only on Good and never on bringing the Evil as the supreme Wickedness Therefore in order to improve the Karma of Mankind I show that Enlightenment does not consist in Wickedness but in combating Wickedness The enlightened ones cannot be a hidden group of people who lead humanity out of the shadows committing all sorts of evils and abuses to maintain power These people are by no means Enlightened but Dark If there really are some in such a situation then they use the term Illuminati or Enlightened falsely How just as Dark are those who dirtyly attack on the true Illuminati or Enlightened only out of obscure interests of a religious nature for fear that the Enlightened ones might open the souls of the People and show them the Way to the Truth from which some high prelates that are at the head of certain churches flee who are afraid that if the Truth would be found they will lose both their financial and their decision making power I believe that the future will belong to those truly Enlightened the true Illuminati A thing is to use Evil to bring through it Good and another is to use Evil to bring through it the Wickedness The true Enlightened and not Dark are those who understand that the Evil can only be used for Good when he can do it and the Good only for the Evil less Evil when the Good itself can lead to destruction disaster or pain The real Bad People the Dark Ones are the ones who use both Good and Evil to do as much as possible Evil and not Good Mankind must understand that the Evil and Good the God and the Devil are an Entity with two distinct characteristics an Entity that defines our True God that is our Creator Factor and Unique Incidentally Therefore in order to improve the Karma of this World we will have to pray to the Universal Consciousness formed by the Universal Pure Language That is to pray to the Divine Light of all the Worlds the Supreme God of Intelligence which to inspire our thoughts so that to use in moderation both Good and Evil for the ultimate purpose of doing and bringing through us as much as possible Good Why didn't I let in continuation the name of the Illuminati Bible and to this new much deeper work of the Bible and call it the Illuminati Bible of Divine Light Because compared to the other book called the Illuminati Bible the Illuminati Bible of Divine Light contains in addition to the content of that book many other new chapters that appeared with the new Wisdom

Collections or with the final form of the Coaxialism Sorin Cerin *Gabriel Marcel and F. H. Bradley* Joseph Gamache, 2025-11-27 This is the first sustained scholarly treatment of the influence of famed British idealist F H Bradley on the work of French existentialist and playwright Gabriel Marcel The book illuminates the work of both thinkers by reading them in relation to each other

The Jaina Worldview Lucas den Boer, 2023-06-30 This book is an analysis of the philosophical chapters of the Tattv rth dhigama TA a foundational text for the Jaina tradition and the first text that presented the Jaina worldview in a clear and systematic way The book also includes the first English translation of its oldest commentary the Tattv rth dhigamabh ya TABh Focusing on the philosophical sections of the TA and TABh which deviate from the traditional views and introduce several new concepts for the Jaina tradition the analysis suggests that the TA and the TABh were written by different authors and that both texts contain several historical layers The texts reflect aspects of the concurrent intellectual movements and the textual analysis includes comparisons with the views of other schools such as the Ny ya and Vai e ika traditions and offers an in depth analysis of the philosophical content of these works The appendix contains an English translation from the original Sanskrit text of the TA and provides the first English translation of the commentary on these passages from the TABh Situating the text in the wider history of Indian philosophy the book offers a better understanding of the role of the Jainas in the history of Indian thought It will be of interest to those studying Indian philosophy Indian thought and Asian religions

Hegel's Phenomenology of Spirit Martin Heidegger, 1988-08-22 The text of Martin Heidegger s 1930 1931 lecture course on Hegel s Phenomenology of Spirit contains some of Heidegger s most crucial statements about temporality ontological difference and dialectic and being and time in Hegel Within the context of Heidegger s project of reinterpreting Western thought through its central figures Heidegger takes up a fundamental concern of Being and Time a dismantling of the history of ontology with the problematic of temporality as a clue He shows that temporality is centrally involved in the movement of thinking called phenomenology of spirit
