**Absolutely Dylan** Patrick Humphries, John Bauldie, 1991 This in depth thought provoking biography is filled with photographs some never before published and goes beyond the myth to examine who Bob Dylan really is and why he continues to fascinate fans and win new admirers 30 years after he burst onto the music scene Over 200 photographs

*Bob Dylan's Highway 61 Revisited* Mark Polizzotti, 2006-09-01 Highway 61 Revisited resonates because of its enduring emotional appeal Few songwriters before Dylan or since have combined so effectively the intensely personal with the spectacularly universal In Like a Rolling Stone his gleeful excoriation of Miss Lonely Edie Sedgwick Joan Baez a composite type fuses with the evocation of a hip new zeitgeist to produce a veritable anthem In Ballad of a Thin Man the younger generation s confusion is thrown back in the Establishment s face even as Dylan vents his disgust with the critics who labored to catalogue him And in Desolation Row he reaches the zenith of his own brand of surrealist paranoia that here attains the atmospheric intensity of a full fledged nightmare Between its many flourishes of gallows humor this is one of the most immaculately frightful songs ever recorded with its relentless imagery of communal executions its parade of fallen giants and triumphant local losers its epic length and even the mournful sweetness of Bloomfield s flamenco inspired fills In this book Mark Polizzotti examines just what makes the songs on Highway 61 Revisited so affecting how they work together as a suite and how lyrics melody and arrangements combine to create an unusually potent mix He blends musical and literary analysis of the songs themselves biography where appropriate and recording information where helpful And he focuses on Dylan s mythic presence in the mid 60s when he emerged from his proletarian incarnation to become the American Rimbaud The comparison has been made by others including Dylan and it illuminates much about his mid sixties career for in many respects Highway 61 is rock n roll s answer to A Season in Hell

At Attention Annabeth Albert, 2017-04-10 At Attention is a story of healing of hope of that rush of new attraction of friendship trust building letting go and realizing that you can t control your heart even when you have binders and lists to control everything else in your life Guilty Pleasures Book Reviews Lieutenant Apollo Floros can ace tactical training missions but being a single dad to his twin daughters is more than he can handle He needs live in help and he s lucky a friend s younger brother needs a place to stay He s surprised to see Dylan all grown up with a college degree and a college athlete s body Apollo s widowed heart may still be broken but Dylan has his blood heating up It s been eight years since the teenage Dylan followed Apollo around like a lovesick puppy and it s time he showed Lieutenant Hard to Please that he s all man now an adult who s fully capable of choosing responsibility over lust He can handle Apollo s muscular sex appeal but Apollo the caring father Dylan can t afford to fall for that guy He s determined to hold out for someone who s able to love him back not someone who only sees him as a kid brother Apollo is shocked by the intensity of his attraction to Dylan Maybe some no strings summer fun will bring this former SEAL back to life But the combination of scorching desire and warm affection is more than he d expected and the emotion between them scares him

senseless No fling lasts forever and Apollo will need to decide what's more important if he wants to keep Dylan in his life his past or his future
