From Abuse to Abundance MD Jamila Battle,2016-05 Does it sometimes seem like your life is unreal Perhaps it seems that your existence is more a nightmare than a dream We never know about the private lives behind the fa ades people create for public consumption Yet what shapes our lives is the raw unvarnished unstated and camouflaged reality that defines our everyday existence I grew up in such an illusion and suspected that my life was closer to the nightmare side than the dream My dad was a recognized and renowned jazz musician He played with and made records with the great musicians of the late twentieth century Behind the mask of success and notoriety lurked a monster whom no one from the public would have recognized or believed existed His own insecurity fear addictions lies and bad choices led him to be a violent abuser Bars on the windows secrets behind locked doors terrors behind the mask of normalcy I lived in a nightmare world and needed a way out In the end for me there is a happy ending What I didn t know was that while I was able to escape the abusive situation the abuse itself followed me It sapped my joy and creativity It wasn t until I fell into a hole of depression as a supposedly successful adult a doctor and the mother of three children that I realized there was a purpose to my pain What did it take to crawl out of this hole Join me as I take you on a journey of Reboot Repair Rebirth Reboot your soul by breaking the silence speaking your truth and ending the isolation Get to physical and emotional safety Repair by getting help and consciously healing your mind heart and body Conquer your demons and discover your inner light and resilience Celebrate your Rebirth as a new healing wiser loving and centered being Live intentionally and abundantly *Abuse to Abundance* Barbara J.
