The authors invite readers to engage with the topic and accelerate their learning through various gamification mechanics and brain break activities in the book and online There is a rabbit warren of resources tools and rewards available through opting in to an online process and ways of interacting with other readers and learners through social media

Contributing Authors Natalie Cunningham John Gatherer Darryn van den Berge In many ways this book reminded me of Peter Senge s The Fifth Discipline which similarly inspired me a few years back This book is very detailed and discusses new approaches techniques and methods to achieve liberating yet learning centred breakthrough results at individual team and organisational level Chief Human Resource Officers as well as their peers and Chief Learning Officers and their associated practitioners will all benefit from not just reading this very compelling text but studying and applying all its valuable lessons in their quest both to accelerate learning and achieve tangible results

Johan Ludike Head of Talent Management Yum University Yum Brands Africae Congratulations to Debbie and Kerryn who

have captured the essence of accelerated learning a process which particularly in a dynamic markets context is so important to change the status quo where so many people have potential for greatness but have often lacked opportunities and mentorship e Shaun Rozyn Executive Director Corporate Education Gordon Institute of Business Science e What an amazing read it is truly a book that keeps on giving It stimulates thinking about accelerated learning and is full of modern and practical content presented in an easily accessible and understandable manner The gamification throughout the book places the reader in the milieu of an active learner through the experience of reading the book and accelerating one s own learning e Liza Govender Executive Manager Talent Transnete Both Kerryn and Debbie bring their valuable practical lessons learnt their passion for this subject and their deep expertise in this field to us in a practical and useful manner I have had the good fortune of working in organisations and in consulting for organisations in this field for over 20 years and I wish I had had this book 20 years ago already e Lou Anne Lubbe previous MD People Organisation Talent Accenture South Africa
