Abundant Life Benjamin Ide Wheeler:

The Abundant Life Benjamin Ide Wheeler, 1926 **Abundant Life** Monroe E. Deutsch, 2013-10 This is a new release of the original 1926 edition *The University of California in Memory of Benjamin Ide Wheeler* University of California, Berkeley, 1928 [The Rise of Gridiron University](#) Brian M. Ingrassia, 2015-12-04 The quarterback sends his wide receiver deep The crowd gasps as he launches the ball And when he hits his man the team's fans roar with approval especially those with the deep pockets Make no mistake college football is big business played with one eye on the score the other on the bottom line But was this always the case Brian M Ingrassia here offers the most incisive account to date of the origins of college football tracing the sport's evolution from a gentlemen's pastime to a multi million dollar enterprise that made athletics a permanent fixture on our nation's campuses and cemented college football's place in American culture He takes readers back to the late 1800s to tell how schools embraced the sport as a way to get the public interested in higher learning and then how football's immediate popularity overwhelmed campuses and helped create the beast we know today Contrary to conventional wisdom Ingrassia proves that the academy did not initially resist the inclusion of athletics rather progressive reformers and professors embraced football as a way to make the ivory tower less elitist With its emphasis on disciplined teamwork and spectatorship football was seen as a middlebrow way to make the university more accessible to the general public What it really did was make athletics a permanent fixture on campus with its own set of professional experts bureaucracies and ostentatious cathedrals Ingrassia examines the early football programs at universities like Michigan Stanford Ohio State and others then puts those histories in the context of Progressive Era culture including insights from coaches like Georgia Tech's John Heisman and Notre Dame's Knute Rockne He describes how reforms emerged out of incidents such as Teddy Roosevelt's son being injured on the field and a section of grandstands collapsing at the University of Chicago He also touches on some of the problems facing current day college football and shows us that we haven't come far from those initial arguments more than a century ago *The Rise of Gridiron University* shows us where and how it all began highlighting college football's essential role in shaping the modern university and by extension American intellectual culture It should have wide appeal among students of American studies and sports history as well as fans of college football curious to learn how their game became a cultural force in a matter of a few decades *The California Monthly*, 1930 **Phoebe Apperson Hearst** Alexandra M. Nickliss, 2018-05 In *Phoebe Apperson Hearst A Life in Power and Politics* Alexandra M Nickliss offers the first biography of one of the Gilded Age's most prominent and powerful women A financial manager businesswoman and reformer Phoebe Apperson Hearst was one of the wealthiest and most influential women of the era and a philanthropist almost without rival in the San Francisco Bay Area Hearst was born into a humble middle class family in rural Missouri in 1842 yet she died a powerful member of society's urban elite in 1919 Most people know her as the mother of William Randolph Hearst the famed newspaper mogul and as the wife of George Hearst a mining tycoon and U S senator By

age forty eight however Hearst had come to control her husband s extravagant wealth after his death She shepherded the fortune of the family estate until her own death demonstrating her intelligence and skill as a financial manager Hearst supported a number of significant urban reforms in the Bay Area across the country and around the world giving much of her wealth to organizations supporting children health reform women s rights and well being higher education municipal policy formation progressive voluntary associations and urban architecture and design among other endeavors She worked to exert her ideas and implement plans regarding the burgeoning Progressive movement and was the first female regent of the University of California which later became one of the world s leading research institutions Hearst held other prominent positions as the first president of the Century Club of San Francisco first treasurer of the General Federation of Woman s Clubs first vice president of the National Congress of Mothers president of the Columbian Kindergarten Association and head of the Woman s Board of the Panama Pacific International Exposition Phoebe Apperson Hearst tells the story of Hearst s world and examines the opportunities and challenges that she faced as she navigated local national and international corridors of influence rendering a penetrating portrait of a powerful and often contradictory woman California Alumni Fortnightly ,1929 Outlook Alfred Emanuel Smith,Francis Walton,1905 **California Monthly** ,1925 School ,1926

The Emergence of the American University Laurence R. Veysey,2024-07-30 The American university of today is the product of a sudden mainly unplanned period of development at the close of the nineteenth and the beginning of the twentieth centuries At that time the university and with it a recognizably modern style of academic life emerged to eclipse the older religiously oriented college Precedents formal and informal were then set which have affected the soul of professor student and academic administrator ever since What did the men living in this formative period want the American university to become How did they differ in defining the ideal university And why did the institution acquire a form that only partially corresponded with these definitions These are the questions Mr Veysey seeks to answer **The American Hebrew** ,1927

America ,1926 The Jesuit review of faith and culture Nov 13 2017 *University of California Chronicle* University of California, Berkeley,1906 **Annual Report of the President of the University on Behalf of the Regents** California.
