Campus Aflame; Dynamic of Student Religious Revolution James Edwin Orr,1972 **Campus Aflame... Dynamic of Student Religious Revolution. Evangelical Awakenings in Collegiate Communities** James Edwin Orr,1971 **From Asbury University Revival to the Russian Revival: Read about Twenty Revivals of the Twentieth Century** G. J. Hocking,2019-12-24 How many countries experienced a religious revival during the 20th century According to this new book on church revival history there were at the very least twenty such revivals occurring in various parts of the world Revival swept from Asbury University Australia through America and across the European continent all within the space of one century Why This Book I wrote *The Twentieth Revivals of the Century* because there are so many stories that need to be told Stories of sweeping revivals which happened all across the globe Spiritual awakenings that occurred in countries making headlines today sometimes for all the wrong reasons Nations like North Korea s Pyongyang and Japan which incidentally almost became a Christian nation leading up to the twentieth century At this time Christianity began gaining ground at a rapid pace Such was the impact of the revivals covered in this book heading into the twentieth century So can we see a repeat of such revival fervour in the twenty first Century Was the recent Asbury Revival comparable with the one seen there in the 1970s Does it measure up to the same basic criteria or pass the smell test of how recent revivals have come about These question although not directly answered will show the the so called Asbury revival was missing two basic ingredients the preaching of the gospel and conversion of the masses **Rivers of Revival** Neil T. Anderson,Elmer Towns,2019-06-18 Since the Day of Pentecost seasons of revival and awakening have brought refreshing to the spiritually dry life to the spiritually dead and miraculous encounters with the Holy Spirit In this timely and prophetic volume two bestselling generals of the faith Dr Elmer Towns and Dr Neil T Anderson offer collective wisdom insight **1-3 John (Baker Exegetical Commentary on the New Testament)** Robert W. Yarbrough,2008-11-01 Robert Yarbrough coauthor of the bestselling *Encountering the New Testament* offers a historical and theological commentary on the Johannine Epistles in this new addition to the BECNT series The commentary features the author s detailed interaction with the Greek text explores the relationship between John s Epistles and Jesus s work and teaching interacts with recent commentaries is attentive to the history of interpretation and seeks to relate these findings to global Christianity **The New Pilgrims** Joseph Castleberry,2015-09-15 We often assume America needs to help immigrants but in *The New Pilgrims* Joseph Castleberry opens our eyes to how the opposite is true and how we can join in one of the greatest spiritual movements this country has ever seen In the midst of an apparent religious decline in the United States many Americans are looking for solutions to this dilemma Our hope lies with Christian immigrants who bring to our churches powerful testimonies of faith from cultures all over the world As the new pilgrims settle into their lives here they are taking the American church by storm and helping rebuild America s conservative foundations It s time to acknowledge this exciting time of spiritual renewal and embrace the

political and relational choices that will once again establish America as the shining city on a hill we all want it to be
