Canadas Enemies:

Canada's Enemies Graeme Mount, 1993-01-11 In 1898 Spanish spies based in Montreal Halifax and Victoria monitored the United States war effort against their homeland while U S counter intelligence officials watched the Spaniards Neither the Americans nor the Spaniards sought Canadian permission for these activities Britain s enemies and often America s enemies have also been Canada s enemies Without the heroic counter intelligence of the mysterious Agent X Irish Americans at the turn of the century might have blasted British Columbia s legislature and the Esquimalt naval base the way they blasted the Welland Canal During World War I counter intelligence failed to stop German agents who bombed the Windsor Walkerville area as well as the CPR bridge on the Maine New Brunswick border Meanwhile Canadian security officials ran around in a state of frantic frustration because of German conspiracies along the Ontario New York State border imagined by Sir Courtney Bennett British consul general in New York City After the war American moles in a Latvian post office monitored mail between Canadian Communists and Moscow In the thirties a Finnish Canadian clergyman spied on Sudbury s Red Finns for the United States consulate in North Bay and Hitler s consuls maintained surveillance of Canadian politicians and German dissidents in Canada During World War II Canadian authorities intercepted the mail of envoys from Vichy France suspected of spying for Germany and from Franco s Spain suspected of spying for Japan In the 1960s the CIA not only observed Cubans in Canada but also watched the situation in Quebec and used a Canadian diplomat to collect information on North Vietnam Some of this history has merged from previously ignored and newly declassified documents from European American and Canadian archives These newly revealed details show that Canada is an interesting place both for what Canadians do elsewhere and for what foreigners do in Canada Also once readers have seen the kinds of activities in which friends engage they may be less surprised at what enemies have done
