Canadian Soviet Relations Between The World Wars:

Canadian-Soviet Relations between the World Wars Aloysius Balawyder, 1972-12-15 This study based on archives only recently made available examines Canada's relations with the Soviet Union between the first and second world wars It shows how Canada's policy towards Russia was influenced by the economic and foreign policies of Great Britain by the revolutionary policies of the Comintern by economic pressures within Canada and the Soviet Union and by pressures from political and ethnic groups within Canada Professor Balawyder explores the relationship between the Communist party of Canada and the Russian Comintern and studies the effects of the activities of Canadian Communists on Canada's political and commercial dealings with Russia Those interested in Canada's foreign relations and in the history of left wing political groups in Canada will find this book an important contribution to a field of study long neglected Canadian History: Confederation to the present Martin Brook Taylor, Doug O'Wram, 1994-01-01 In these two volumes which replace the Reader's Guide to Canadian History experts provide a select and critical guide to historical writing about pre and post Confederation Canada with an emphasis on the most recent scholarship Cover **The Allied Intervention in Russia, 1918-1920 I.** Moffat, 2015-02-26 This work explores the reasons for the Allied intervention into Russia at the end of the Great War and examines the military diplomatic and political chaos that resulted in the failure of the Allies and White Russians to defeat the Bolshevik Revolution *The Russian Revolution and Civil War 1917-1921* Jonathan Smele, 2006-04-15 The Russian Revolution and Civil War in the years 1917 to 1921 is one of the most widely studied periods in history It is also somewhat inevitably one that has generated a huge flow of literature in the decades that have passed since the events themselves However until now historians of the revolution have had no dedicated bibliography of the period and little claim to bibliographical control over the literature *The Russian Revolution and Civil War 1917-1921* offers for the first time a comprehensive bibliographical guide to this crucial and fascinating period of history The Bibliography focuses on the key years of 1917 to 1921 starting with the February Revolution of 1917 and concluding with the 10th Party Congress of March 1921 and covers all the key events of the intervening years As such it identifies these crucial years as something more than simply the creation of a communist state **Canada's Sons and Great Britain in the World War** George Callis Nasmith, George Callis Nasmith, 1919 **Canadians in Russia, 1918-1919** Roy MacLaren, 1976 **A Reader's Guide to Canadian History: Confederation to the present** Delphin Andrew Muise, J.
