Canals And Communities

Royal Philosophical Society of Glasgow

Canals And Communities:

Canals and Communities Jonathan B. Mabry,1996 Includes material on irrigation in Mexico Somalia Morocco the Andes Bali Cape Verde Iran and Sri Lanka *The Welland Canals and their Communities* John Jackson,2019-11-21 For over 170 years the Welland Canals have been a major industrial catalyst and an important agent of urban evolution spawning a series of distinct communities along the length of the canals between Lake Erie and Lake Ontario Four Welland canals have crossed Southern Ontario s Niagara Peninsula since 1829 and each update fostered a renewed economic expansion The most recent change came in 1959 when the new St Lawrence Seaway system opened the canal and the Niagara Peninsula to the Atlantic Ocean The Welland Canals and Their Communities is an in depth examination of the history and influence of each canal It traces the changes over time in engineering elements such as the canal route its water supply and flow and its form including locks weirs bridges and other structures that have successively modified both the landscape and drainage pattern of its regional surroundings In addition to these marine elements John N Jackson looks at the movements of vessels the changing types of ships that have used the canal and the economic character of trading flows within and through the canal to provide a detailed portrait of the interaction between transportation and land use at both the local and regional level The changing canal scene and the evolution form and character of the canal communities provide the dual emphasis of Jackson s narrative which concludes with an appreciation of the canal system and its potential at a time when heritage and tourist concerns rise to the fore across the Niagara Peninsula **The Welland Canals and Their Communities** John N. Jackson,1997-01-01 An examination of the role and contributions of the four Welland Canals to the development of Niagara Peninsula communities **Water Quality and Urban Runoff in Selected Canal Communities Along the Texas Coast** Allen Lester Messenger,1979 *Transactions - The Society of Naval Architects and Marine Engineers* Society of Naval Architects and Marine Engineers (U.S.),1911 List of members in vols 1 24 38 54 57 **The Limits of Tyranny** James A. Delle,2015-01-16 The Limits of Tyranny advances the study of the African diaspora and reconsiders the African American experience in terms of dominance and resistance Jacket **Canals, Communities & Collaborations** ,1997 For purpose of registration and information about the conference Annual Report ... on the Canals of the State ... and on the Trade and Tonnage of the Canals ... New York (State). Superintendent of Public Works,1908 **Bulletin of the Geographical Society of Philadelphia** Geographical Society of Philadelphia,1915 **Eurasian Environments** Nicholas Breyfogle,2018-11-06 Through a series of essays Eurasian Environments prompts us to rethink our understanding of tsarist and Soviet history by placing the human experience within the larger environmental context of flora fauna geology and climate This book is a broad look at the environmental history of Eurasia specifically examining steppe environments hydraulic engineering soil and forestry water pollution fishing and the interaction of the environment and disease vectors Throughout the authors place the history of Imperial Russia and the Soviet Union in a trans chronological comparative context seamlessly linking the local and

the global The chapters are rooted in the ecological and geological specificities of place and community while unveiling the broad patterns of human nature relationships across the planet Eurasian Environments brings together an international group scholars working on issues of tsarist Soviet environmental history in an effort to showcase the wave of fascinating and field changing research currently being written
