This is a book that will make you laugh, make you cry, inspire you, motivate you; however, most of all, it will help you in battling one of the most dreaded diseases plaguing mankind: cancer. Valarie Hendriks grew up in the Midwest part of the United States. After college, she got a job in the optical field and is currently working as a Manager and ABO Certified Optician. Along the way, she got married to her spouse of twenty-five years. Her hobbies are tennis, horseback riding, and Ball Room Dancing. She competed in Ball Room Dancing and won several competitions over her career. Then one day she was diagnosed with cancer. At this point in her life, she thought her entire world was falling apart. However, she was determined to defeat this dreaded disease. Her book *My Journey, A Victory Over Cancer Through Alternative Methods* is a book that Valarie wrote that outlines how she beat cancer. In her book, she provides all of the information that she learned through two years of research so that she could help other people in their battle against cancer without going through the trauma of traditional cancer treatments. Her book is uplifting, inspiring, and motivational. It will make you laugh and it will make you cry, but most of all, it will help you to defeat one of the most dreaded diseases in the world: the disease that we call cancer.
