Campfire Secrets:

Campfire Secrets L Ann Ward, Rebecca Petty, 2024-08-20 In every life there are secrets Kat Mallory's secret was first revealed around a campfire She would never forget looking into the faces of her three cousins that night Sensible Gin whose level headed sarcastic exterior disguised a perceptive and sensitive heart Boisterous Bette whose mouth would get the whole group into a lot of trouble but whose ferocious and loyal nature would often protect them as well Bette's twin sister Barb promiscuous by nature but whose compassion keeps the group at peace when they need it most These three unlikely candidates instantly became more than family when the shy and cultured Kat entrusted them with her heaviest burden of all the fact that her stepfather Carl had been molesting her And the cousins keep that secret for her guarding it as if it were their own Kat never dreamed that three years later she would be standing over Carl's body looking into those same faces wondering if they could keep the mother of all campfire secrets Murder Now they must all decide what will they do with this campfire secret With the mix of Southern Fiction flare dark comedy and intrigue Campfire Secrets uses humor and brutal honesty to explore the question just how far will a person go to protect someone they love Working Mother, 2004-02 The magazine that helps career moms balance their personal and professional lives The Summer of Songbirds Kristy Woodson Harvey, 2025-04-29 Four women come together to save the summer camp that changed their lives and rediscover themselves in the process *Pamphlets on Forestry in Idaho*, 1921 **Made to Matter** Fiona Probyn-Rapsey, 2013 Most members of the Stolen Generations had white fathers or grandfathers Who were these white men This book analyses the stories of white fathers men who were positioned as key players in the plans to assimilate Aboriginal people by breeding out the colour The plan to breed out the colour ascribed enormous power to white sperm and white paternity to elevate uplift and disperse Aboriginality in whiteness to blank out to aid cultural forgetting The policy was a cruel failure not least because it conflated skin colour with culture and assumed that Aboriginal women and their children would acquiesce to produce future whites It also assumed that white men would comply as ready appendages administering whiteness through marriage or white sperm This book attempts to put textual flesh on the bodies of these white fathers and in doing so builds on and complicates the view of white fathers in this history and the histories of whiteness to which they are biopolitically related *Clowns in Horror* Glenn Tolle, 2026-02-19 Clowns have always harbored a dark side but with the proliferation of visual media platforms their grotesque personas have taken center stage A far cry from the jovial performers at children's parties and circuses clowns have become a staple of the horror genre from blockbusters like Stephen King's IT to indie cult favorites like Terrifier This book explores the full spectrum of clown horror covering both films shorts as well as features and TV shows While it includes additional information about cast and crew the book primarily offers a broad survey of clowns in the growing subgenre of horror entertainment Also providing an overview of clown history tracing the clown's origins back to ancient Rome this text offers a comprehensive exploration of the macabre world of painted faces twisted laughter and nightmares

Arthur Preuss,1924 **It Is No Secret** Donna Meehan,2013-10-01 With a sudden jerk squealing of brakes and a loud puff of the steam engine the train shunted forward I stared out the window as we slowly pulled out of the station I was very confused I saw the women standing on the platform watching us and wailing Then I saw her There was my mum in her only good blue dress standing next to my aunts and our old grandmother Just standing there Standing there with tears rolling down their cheeks too fast to even wipe away Then Mum waved a white hanky and I pressed my face against the window pane as hard as I could watching her Watching until her blue dress faded into a tiny blue daub of colour At the age of five Donna was taken away from her natural

family and sent to a foster family in Newcastle Donna reflects back on her childhood memories of living in the bush with her brothers and her removal to the city becoming an only child in a white family Donna recalls her struggle with her identity remembering traditions and customs of her old life in the outback and the adjustments she has had to make in strange city Donna aged 40 retells her life story with stark simplicity and honesty She openly discusses the pain and isolation she has felt at not belonging or feeling at home with the society she has been brought up in Her desperation took her close to suicide This is a powerfully sad yet also uplifting story sad because of Donna s long struggle to re establish her family and culture and coming to terms with her own views about Aboriginal people and uplifting because of Donna s deep faith her own strong family ties with her foster mother and her husband and sons Donna s story is retold with passion but with an absence of bitterness as she tells of the strangeness and heartbreak of her experiences and of the kindness of her adoptive family
