Camus The Stranger:

The Stranger Albert Camus,1989-03-13 The masterpiece of Nobel Prize winner Albert Camus now in a striking American English translation The Stranger remains vital for its unsettling insights into the impossibility of moral certainty in the face of violence Matthew Ward has done Camus and us a great service The Stranger is now a different and better novel for its American readers it is now our classic as well as France s Chicago Sun Times Since it was first published in English in 1946 Albert Camus s first novel The Stranger L etranger has had a profound impact on millions of American readers Through this story of an ordinary man who unwittingly gets drawn into a senseless murder on a sundrenched Algerian beach Camus explored what he termed the nakedness of man faced with the absurd Now in this illuminating translation extraordinary for its exactitude and clarity the original intent of The Stranger is made more immediate This haunting novel has been given a new life for generations to come

The Stranger - Albert Camus Harold Bloom,2009 The condition of man is revealed as absurd in Camus s short novel

The Stranger Albert Camus,2012-08-08 With the intrigue of a psychological thriller The Stranger Camus s masterpiece gives us the story of an ordinary man unwittingly drawn into a senseless murder on an Algerian beach With an Introduction by Peter Dunwoodie translated by Matthew Ward Behind the subterfuge Camus explores what he termed the nakedness of man faced with the absurd and describes the condition of reckless alienation and spiritual exhaustion that characterized so much of twentieth century life The Stranger is a strikingly modern text and Matthew Ward s translation will enable readers to appreciate why Camus s stoical anti hero and devious narrator remains one of the key expressions of a postwar Western malaise and one of the cleverest exponents of a literature of ambiguity from the Introduction by Peter Dunwoodie First published in 1946 now in translation by Matthew Ward

The Stranger Albert Camus,2016-06-04 The Stranger or The Outsider is a novel by Albert Camus published in 1942 Its theme and outlook are often cited as examples of Camus s philosophy of the absurd and existentialism though Camus personally rejected the latter label The title character is Meursault an indifferent French Algerian who after attending his mother s funeral apathetically kills an Arab man whom he recognizes in French Algiers The story is divided into two parts presenting Meursault s first person narrative view before and after the murder respectively In January 1955 Camus wrote I summarized The Stranger a long time ago with a remark I admit was highly paradoxical In our society any man who does not weep at his mother s funeral runs the risk of being sentenced to death I only meant that the hero of my book is condemned because he does not play the game

Albert Camus's The Stranger Peter Francev,2014-06-26 Often marginalised on the sidelines of both philosophy and literature the works of Albert Camus have in recent years undergone a renaissance While most readers in either

discipline claim Camus and his works to be theirs the scholars presented in this volume tend to see him and his works in both philosophy and literature This volume is a collection of critical essays by an international menagerie of Camus experts who despite their interpretive differences see Camus through both lenses For them he is a novelist essayist who embodies a philosophy that was never fully developed due to his brief life The essays here examine Camus s first published novel *The Stranger* from a variety of critical and theoretical perspectives each drawing on the author s knowledge to present the first known critical examination in English As such this volume will shed new light on previous scholarship
