The Chronicles of Martin Hewitt, Detective Arthur Morrison,2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1907 edition Excerpt THE CASE OF THE LOST FOREIGNER I Have already said in more than one place that Hewitt s personal relations with the members of the London police force were of a cordial character In the course of his work it has frequently been Hewitt s hap to learn of matters on which the police were glad of information and that information was always passed on at once and so long as no infringement of regulations or damage to public service were involved Hewitt could always rely on a return in kind It was with a message of a useful sort that Hewitt one day dropped into Vine Street police station and asked for a particular inspector who was not in Hewitt sat and wrote a note and by way of making conversation said to the inspector on duty Anything very startling this way to day Nothing very startling perhaps as yet the inspector replied But one of our chaps picked up rather an odd customer a little while ago Lunatic of some sort I should think in fact I ve sent for the doctor to see him He s a foreigner a Frenchman I believe He seemed horribly weak and faint but the oddest thing occurred when one of the men thinking he might be hungry brought in some bread He went into fits of terror at the sight of it and wouldn t be pacified till they took it away again That was strange Odd wasn t it And he was hungry too They brought him some more a little while after and he didn t funk it a bit pitched into it in fact like anything and ate it all with some cold beef It s the way with some lunatics never the same five minutes together He keeps crying like a baby and saying things we can t understand As it happens there s nobody in just now who speaks French I speak French Hewitt replied Shall I try him

Chronicles of Martin Hewitt Annotated Arthur Morrison,2021-02-12 It was while these things were occupying part of my attention that I chanced to ask Hewitt whether in the course of his divers odd and out of the way experiences he had met with any such weird adventures as were detailed in such profusion in the books of authenticated spooks doppel gangers poltergeists clairvoyance and so forth Well Hewitt answered with reflection I haven t been such a wallower in the uncanny as some of the worthy people who talk at large in those books of yours and as a matter of fact my little adventures curious as some of them may seem have been on the whole of the most solid and matter of fact description One or two things have happened that perhaps your psychical people might be interested in but they ve mostly been found to be capable of a disappointingly simple explanation One case of some genuine psychological interest however I have had although there s nothing even in that which isn t a matter of well known
