## **Chunky Rex:**

**Chunky Rex**, 2004 This new addition to Barron's Chunky Books features a dinosaur with rolling eyes on the front cover and short clever illustrated stories within the extra thick pages. When the book is closed, toddlers can stand it up like a miniature model of a living dinosaur. Full color. **Great Equaliser** Jimmy Kempton, 2014-03-31 The book follows me on my journey from England to Las Vegas to participate in the LVH SuperContest. I reflect on American life from an English perspective as well as taking readers on a tour around Las Vegas. Introducing them to the crazy characters who call the Las Vegas Strip home. **TRAFFICKING, A Memoir of an Undercover Game Warden** Tony H. Latham, 2012-04-16 This compelling nonfiction work takes the reader into a convoluted eight-month infiltration of a group of squalid criminals trafficking in wildlife by two undercover game wardens. Latham doesn't hold back on the language in this book nor does he downplay the vile acts that occurred against both the human and wildlife victims in this twisted tale. If you think poachers are just a bunch of good old boys out for a bit of meat, this true story is bound to reshape your opinion. Books written about undercover wildlife trafficking investigations are rare; this one will keep you on the edge of your seat. Us in Ruins Rachel Moore, 2024-09-03 Margot is on the quest to uncover and reassemble an ancient and cursed vase with the help of a boy who went missing in 1932 because it's the only way to put back together her broken heart in this standalone adventure rom com perfect for fans of *What the River Knows* and *The Lost City*. The mythical Vase of Venus Aurelia hasn't been seen since 1932, but Margot Rhodes is determined to change that. Drawn by the vase's supposed magical properties, Margot embarks on her school's archaeological trip to Pompeii. Sure, it's her first time holding a shovel, but she's got something no one else does: lost teenage explorer Van Keane's journal. Poring over the poetic entries that serve as a map to the vase's missing shards, Margot finds herself falling in love with the boy who wrote it a century ago. She's shocked when her search leads her to a statue that looks exactly like Van, and then the statue comes to life. Catapulted into the present, Van is nothing like the wordsmith Margot imagined. He's all sharp edges, intent on retrieving the relic for all the wrong reasons. But it takes two to survive Venus's death-defying challenges, and together Margot and Van must excavate their buried pasts before their story ends in ruins. With a blend of humor, magic, and love, Rachel Moore crafts another standalone adventure rom com full of double and triple crosses, hilarious shenanigans, and frustration-fueled banter where the best treasure is true love. School Library Journal, 2004 Armageddon, the Musical Robert Rankin, 1991 Aliens, time travel, intergalactic soap opera, talking vegetables, and Elvis: this hilariously wild futuristic adventure has it all. On par with *A Hitchhiker's Guide to the Galaxy*, Rankin's spectacular cosmic adventure comes to American audiences for the first time. Harlequin Desire January 2017 - Box Set 2 of 2 Barbara
