O'Neill, 1966 **Church and state in French colonial Louisiana: policy and politics to 1732** Charles Edwards O'Neill, **Mammon and Manon in Early New Orleans** Thomas N. Ingersoll, 1999 Since Louisiana fell under the administration of France and Spain before becoming a U S territory in 1803 the case of New Orleans offers an opportunity to test the long standing thesis that slave regimes under the French Spanish and Anglo Americans were significantly different Ingersoll finds that by contrast the city s development was remarkably continuous affected mainly by the changing volume of its slave trade between 1719 and 1808 and thereafter primarily by urban conditions Couv

Powell, 2012-04-13 Should stand for years as the definitive history of New Orleans s first century Jonathan Yardley Washington Post This is the story of a city that shouldn t exist In the seventeenth century what is now America s most beguiling metropolis was nothing more than a swamp prone to flooding infested with snakes battered by hurricanes But through the intense imperial rivalries of Spain France and England and the ambitious entrepreneurial merchants and settlers from four continents who risked their lives to succeed in colonial America this unpromising site became a crossroads for the whole Atlantic world Lawrence N Powell a decades long resident and observer of New Orleans gives us the full sweep of the city s history from its founding through Louisiana statehood in 1812 We see the Crescent City evolve from a French village to an African market town to a Spanish fortress and finally to an Anglo American center of trade and commerce We hear and feel the mix of peoples religions and languages from four continents that make the place electric and always on the verge of unraveling The Accidental City is the story of land jobbing schemes stock market crashes and nonstop squabbles over status power and position with enough rogues smugglers and self fashioners to fill a picaresque novel Powell s tale underscores the fluidity and contingency of the past revealing a place where people made their own history This is a city and a history marked by challenges and perpetual shifts in shape and direction like the sinuous river on which it is perched **Proceedings of the ...
