Peter Wagner,2006-05-20 If Christians are in the workplace then so is the church In The Church In The Workplace C Peter Wagner explores how the role of the church in the work life of believers is just as much a ministry a service to God and even worship as what believers do on Sunday in their local churches A further indispensable step toward activating faith at work is to understand clearly how the extended church operates through the nuclear church and how bridges can be built to join the two Wagner does just this as he looks at the biblical perspective on work the Holy Spirit's call to the church to bring about social transformation and worldwide examples of the role the church has already played in the workplace **Church Officers** Frederick Alfred Agar,1918 **Synergy** Ms. Ann A. Michel,2017-02-27 The people are the church not just the pastor Yet in many congregations there is a heavy imbalance in the ownership of ministry Clergy and paid staff are seen as God's agents in the world and congregants as occasional participants Sometimes clergy and other leaders perpetuate this imbalance Ann Michel presents a more inclusive collaborative

understanding of ministry which affirms the gifts and calling of both clergy and lay servants She uses the concept of synergy as a theological framework undergirding this approach Michel lays out an inclusive and collaborative paradigm of ministry affirming the work of both lay and clergy servants Synergy also provides practical advice on the day to day skills of synergistic or collaborative ministry how to engage others in ministry how to build teams how to manage meetings how to develop others as leaders etc The book helps church workers paid and unpaid understand how their ministry relates to the mission of God and the ministry of the church and provides practical guidance on the interpersonal ministry skills essential to any expression of collaborative ministry Synergy is both a practical and deeply spiritual resource that helps provide a more collaborative way of thinking about ministry shared between clergy and laity Ann has captured the challenges that can present themselves as laity serve in ministry not only from her research but also from her personal experience as a lay person and respected Seminary theologian and she offers practical ways to equip laity to fully live in this call of lay servants and lay staff members As a lay person who has served on a church staff for more than 23 years understanding this synergistic energy articulated so well in Ann s writing has reignited my passion and affirmed my call Debi Williams Nixon Managing Executive Director The United Methodist Church of the Resurrection [Doing God's Work](#) Hope Ministries, Jimmy Adcox, Lynn Anderson, Bob Clark, Chris Goldman, Carlus Gupton, Evertt Huffard, Jay Jarboe, Grady King, Jim Martin, Jon Mullican, Tim Woodroof, 2013-09-04 This book is a compilation of wisdom from the members of Hope Network Ministries Think of it as both an introduction and an invitation It s an introduction to the practical nature of what Hope Network does Each chapter is written by someone in the trenches who both understands the challenges of contemporary ministry and has experience in navigating them It s also an invitation to reach out to any of the authors of this volume for deeper conversation They didn t write their chapters to show off what they know They wrote them to make you aware of their availability to walk this path with you While each chapter of this book addresses ministry challenges from a different perspective they all communicate the same basic message That message is that you are not alone in your struggle There is hope in the form of a network of other ministers who are here to assist you *The Work of the Church--whose Responsibility?* Presbyterian Church in the U.S. Board of Christian Education, 1956 *Manual for Church Officers and Members, of the Government, Discipline, and Worship of the Presbyterian Church in the United States of America* Presbyterian Church in the U.S.A., 1927 *The Work of Church Officers and Committees* Howard B.
