Church Under Thatcher:

Church Under Thatcher Henry Clark,1993-03 **Northern Ireland, the BBC, and Censorship in Thatcher's Britain** Robert J. Savage,2022 This is a study of how Thatcher s government tried to control the narrative of the Northern Ireland conflict in an effort to shape how the Troubles were understood by regional national and international audiences and exploring how Britain s status as a leading global democracy was tarnished by the imposition of censorship in the 1988 Broadcasting Ban

Harnessing Chaos James G. Crossley,2014-08-28 *Harnessing Chaos* is an explanation of changes in dominant politicized assumptions about what the Bible really means in English culture since the 1960s James G Crossley looks at how the social upheavals of the 1960s and the economic shift from the post war dominance of Keynesianism to the post 1970s dominance of neoliberalism brought about certain emphases and nuances in the ways in which the Bible is popularly understood particularly in relation to dominant political ideas This book examines the decline of politically radical biblical interpretation in parliamentary politics and the victory of a modified form of Margaret Thatcher s re reading of the liberal Bible tradition following the normalisation of a modified form of Thatcherism more generally Part I looks at the potential options for politicized readings of the Bible at the end of the the1960s focussing on the examples of Christopher Hill and Enoch Powell Part II analyses the role of Thatcher s specific contribution to political interpretation of the Bible and assumptions about religion Part III highlights the importance of often unintended ideological changes towards forms of Thatcherite interpretation in popular culture and with particular reference to Monty Python s *Life of Brian* and the Manchester music scene between 1976 and 1994 Part IV concerns the modification of Thatcher s Bible particularly with reference to the embrace of socially liberal values by looking at the electoral decline of the Conservative Party through the work of Jeffrey Archer on Judas and the final victory of Thatcherism through Tony Blair s exegesis Some consideration is then given to the Bible in an Age of Coalition and how politically radical biblical interpretations retain a presence outside parliamentary politics *Harnessing Chaos* concludes with reflections on why politicians in English politicians bother using the Bible at all
