Aubrey Fitz Gerald Bell

Cielo De Leones:

El cielo de los leones Ángeles Mastretta, 2003 A collection of brief works by the Mexican novelist blurs the distinction between personal essays and short stories as it explores the wonders of everyday life and the unexpected relationships between such subjects as the sea and volcanoes El Cielo de Los Leones (Novela) / the Sky of the Lions (a Novel) Ángeles Mastretta, 2026-04-28 El cielo de los leones re ne una serie de textos en busca de un v nculo ese v nculo de correspondencia existente un tanto ins lita entre los deseos y la seducci n entre la riqueza y la casualidad entre las aventuras y la ventura Extra a correspondencia la que existe entre los deseos y la seducci n entre la riqueza y la casualidad entre el mar y los volcanes entre la valent a y el desafuero entre las aventuras y la aventura Cada uno de los textos que re ne este volumen acude en busca de semejante v nculo y lo encuentra en recuerdos de infancia visiones del mundo y personajes que pueblan la memoria El cielo de los leones cuenta el mundo para bendecirlo La evocaci n y los sue os son el culto preciso y continuo que cruza estas p ginas cuyo empe o es persuadirnos de cu n prodigiosa y arrebatada es la vida de cu ntos motivos diarios posee para que la veneremos ngeles Mastretta cree en el sensato h bito de la locura en el desaf o diario que es mirar a otros vivir como quien delira cielo hay para todos dice hasta para los leones debe haber un cielo Por eso nos atrapa la seducci n Qu es la bendita seducci n sino el sue o de que hay tal cosa como el cielo ENGLISH DESCRIPTION El cielo de los leones brings together a series of texts in search of a bond that unusual correspondence between desire and seduction between wealth and chance between adventures and fortune A strange correspondence exists between desire and seduction between wealth and chance between the sea and volcanoes between courage and excess between adventures and adventure itself Each of the texts in this volume seeks such a bond and finds it in childhood memories visions of the world and characters that inhabit memory El cielo de los leones tells the world in order to bless it Evocation and dreams are the precise and continuous ritual that runs through these pages whose purpose is to persuade us of how prodigious and overwhelming life is and of the countless daily reasons it offers for us to revere it ngeles Mastretta believes in the sensible habit of madness in the daily challenge of watching others live as if in a delirium there is a heaven for everyone she says even for lions there must be a heaven That is why seduction captivates us What is blessed seduction if not the dream that such a thing as heaven exists
