Johnson, 2012-04-01 The average pitcher has about a 000645 chance of throwing a no hitter In the spring of 1938 Cincinnati Reds rookie pitcher Johnny Vander Meer pitched two back to back The feat has never been duplicated which

comes as no surprise to sports professionals and aficionados alike Decade after decade in one poll after another from Sport magazine Sports Illustrated and ESPN Vander Meer s consecutive no hitters turn up as one of baseball s greatest and most untouchable achievements Double No Hit offers an inning by inning account of that historic second consecutive no hitter accomplished during the first night game in New York City with the Cincinnati Reds facing the Brooklyn Dodgers in Ebbets Field James W Johnson sets the stage and assembles the colorful cast of characters Highlighting the story with recollections and observations from owners managers and players past and present he fills in the details of Vander Meer s accomplishment and his baseball career which never lived up to expectations heightened by his sensational performance In the end Double No Hit brings to life a bygone era of the national pastime and one shining spring night June 15 1938 when a twenty two year old fireballing left hander with lousy control pitched his way into the top tier of baseball s record book

**Cincinnati and the Big Red Machine** Robert Harris Walker,1988 Looks at the history of the Cincinnati Reds describes the role of Riverfront Stadium in the city s rejuvenation and examines the city s longterm relationship with baseball

**A Biographical Dictionary of Major League Baseball Managers** John C. Skipper,2011-05-16 Earl Weaver put his best defensive players on the field early in the game rather than make late inning defensive replacements and he didn t like to bunt figuring if you played for only one run that s all you d get Whitey Herzog by contrast became one of the greats by using players who could bunt and by playing for one run over and over again Full coverage of them and 600 other major league managers over a 125 year period can be found in this work The entries are based on interviews standard data and anecdotes from owners coaches and players Information includes birth and death dates teams and dates managed win loss records winning percentages and standings Lists are included of managers of 1 000 games or more those with one game careers those with the best winning percentages and those with the most wins A complete list of managers in the history of each team is provided
