## **Circle Of Hanh:**

The Circle of Hanh Bruce Weigl, 2001-05-22 A tender and courageous and truly haunting memoir one of the very best to emerge from the American war in Vietnam I loved this book Tim O'Brien author of *The Things They Carried* In this piercingly honest memoir renowned poet Bruce Weigl explores the central experience of his life as a writer and a man the Vietnam War which tore his life apart and inspired his poetic voice Weigl knew nothing about Vietnam before enlisting in 1967 but he saw a free ride out of a difficult childhood among volatile people The war completely changed his life there was a before and then an irrevocable after In the before Weigl pretended to be dead in mock battles with his friends in the after he watched as a boy from his unit whispered to Vietnamese corpses while caring for their inert bodies as if they were dolls Weigl returned from Vietnam unprepared to cope with civilian life He turned to alcohol drugs and women in an attempt to escape his confused purgatory but only found himself alone watching other people's lives from the shadows Eventually finding his way back into the world Weigl drew solace from poetry and later from a family Yet it is not until his harrowing journey back to Hanoi to adopt a Vietnamese daughter that Weigl finds redemption This act of personal humanity and recompense to a nation he helped to destroy lies at the heart of his memoir *The Circle of Hanh* is a moving singular and highly readable chronicle of a haunted life and ultimately a stunning work of healing Kirkus Reviews starred review

**The Circle of the Way** Barbara O'Brien, 2019-11-12 A comprehensive accessible guide to the fascinating history of Zen Buddhism including important figures schools foundational texts practices and politics Zen Buddhism has a storied history Bodhidharma sitting in meditation in a cave for nine years a would-be disciple cutting off his own arm to get the master's attention the proliferating schools and intense Dharma combat of the Tang and Song Dynasties Zen nuns and laypeople holding their own against patriarchal lineages the appearance of new masters in the Zen schools of Korea Japan Vietnam and later the Western world In *The Circle of the Way* Zen practitioner and popular religion writer Barbara O'Brien brings clarity to this huge swath of history by charting a middle way between Zen's traditional lore and the findings of modern historical scholarship In a clear and often funny style O'Brien parses fact from fiction while always attending to the greatest interest of contemporary practitioners the development of Zen doctrine and practice as a living tradition across cultures and centuries WLA, 2001

**New Perspectives on Asian American Parents, Students, and Teacher Recruitment** Clara C. Park, Russell Endo, Xue Lan Rong, 2009-03-17 This anthology the fifth in a series sponsored by SIG REAPA explores Asian parents involvement in education its effects on children's achievement Asian American children's literacy and learning strategies teachers motivation the model minority stereotype and campus climate

**Book Review Index**, 2003 Vols 8 10 of the 1965 1984 master cumulation constitute a title index

**Mindfulness in the Academy** Narelle Lemon, Sharon McDonough, 2018-08-24 This book focuses on the way academics understand embrace and enact the concepts of mindfulness in approaching their work in demanding and dynamic contemporary higher education environments It examines how they implement formal and

informal mindfulness practices that increase the capacity to transform mind and body states by drawing on concepts such as compassion kindness gratitude curiosity self awareness and non judgemental stances The book provides insights into and highlights the struggles of scholars through their experiences and perspectives in relation to their identities practices and job enactment Each chapter author explains their mindfulness practices and their motivations for implementing them and explores how mindful ways of researching writing learning and teaching leading and engaging with others leads us to self awareness and engagement in the present

**War, Literature, and the Arts**, 2001 **Forthcoming Books** Rose Army, 2000 **Twayne Companion to Contemporary Literature in English from the Editors of the Hollins Critic** Richard H. W. Dillard, Amanda Cockrell, 2003 This new title offers a unique collection of critical essays on writers of poetry and fiction of the past 25 years This two volume anthology provides detailed updated entries on approximately 100 American Canadian British and Irish writers including Maya Angelou John Ashbery Mary Gaitskill Ted Hughes Toni Morrison Michael Ondaatje Thomas Pynchon and Anne Tyler

**The Bloomsbury Handbook of Prison Education** Erin S. Corbett, 2024-10-03 Finalist PROSE Awards 2025 Education Theory and Practice Written by activists and scholars based in Australia Kenya Pakistan New Zealand South Africa Uganda and the USA The Bloomsbury Handbook of Prison Education offers the first global state of the field overview of research into educational practices and programs in prisons It covers the history of the field and puts forward future directions for research The range of topics covered include discussions of how gender race sexuality indigeneity age and faith impact incarceration rates around the world educational leadership STEM education creative writing programs distance learning abolition education after prison and education for correctional staff The book includes a Foreword by Donald Sawyer III Vice President of Diversity Inclusion and Belonging at Fairfield University USA

*The Unraveling Strangeness* Bruce Weigl, 2002 Bruce Weigl s poetry has been acclaimed by C K Williams as powerful and frightening poems that force us to repudiate our comfortable uncertainties our drowsy vagueness and Carolyn Forche has said that Bruce Weigl is one of the most important poets of our time With *Song of Napalm* and followed by *Archeology of the Circle* Weigl has established himself as a poet of incomparable power and lyric fury For Weigl home is where the heart is and where the soul must reside To leave one s home is to leave a vital part of oneself behind and to return is to reconnect with one s history *The Unraveling Strangeness* represents the record of a man in the middle of his life who comes back to his home after being away for twenty

five years In these poems we find odes to New York City neighborhood life live from the front stoop Poems such as Hinckley and Nixon point to a larger national turmoil that seeps its way into the consciousness of the mean streets of New York Weigl closes with poems penned by a world weary eye that extends childlike tribute to the wonders of the country At stake in this journey is a rediscovery of deep and abiding connections to place to family and to old friends Reginald Gibbons has raved that Bruce Weigl s poetry contains a largeness of spirit that is filled with both hard memories and forgiveness

**Expanding Circle Morality** Janice L. Templeton,2006 This dissertation explored the concept of extending moral concern to all life from both theoretical and empirical perspectives In the theoretical chapter I defined expanding circle morality ECM as a dynamic lifelong sustainable commitment to expand our circle of caring to include all sentient beings as a core guiding principle in life and reviewed the existing psychological literature that addressed this concept Next in three datasets I identified proxy measures for ECM and tested the hypothesis that higher levels of ECM are associated with higher levels of individual well being and greater concern for others than lower levels of ECM In addition I tested the hypothesis that individuals volunteering frequently would have greater well being when they had high but not low levels of ECM Finally in an experimental study I tested the hypothesis that loving kindness meditation i e a spiritual practice to broaden one s circle of caring would reduce judgment of moral transgressors especially when those individuals were exposed to death awareness as described by Terror Management Theory Data for the first three studies were drawn from two large longitudinal studies of child and adolescent development and one longitudinal study of adult women ANOVA analyses largely supported the predictions Proxy measures of ECM included spiritual importance an implicit measure of social and civic concern and a measure of social responsibility motivation Higher scores on each of these three measures were associated with better individual well being as well as greater concern for the well being of others In addition individuals with higher levels of ECM reported greater well being when volunteering frequently than individuals with low levels of ECM In the final experimental study loving kindness meditation participants reported more positive emotion and specifically more compassion than participants in the control condition i e a progressive relaxation exercise Although the means trended in the predicted direction participants in the loving kindness and death salience condition did not judge moral transgressors less harshly The possibility that increased compassion does not necessarily result in increased tolerance of behaviors that harm others is discussed In sum ECM is associated with individual well being and the well being of an expanded circle of others

*Circle of Compassion* Gail Straub,2001 Valuable practical and inspirational information on how to help others whilehelping the self This pocket size book of meditations gives various exercisefor readers to try daily
