**CXC English Language, Paper 1** Uriel Narinesingh, 2004      **Language, Literacy, and Pedagogy in Postindustrial Societies** Paul C. Mocombe, Carol Tomlin, 2013-01-17 In postindustrial economies such as the United States and Great Britain the black white achievement gap is perpetuated by an emphasis on language and language skills with which black American and black British Caribbean youths often struggle This work analyzes the nature of educational pedagogy in the contemporary capitalist world system under American hegemony Mocombe and Tomlin interpret the role of education as an institutional or ideological apparatus for capitalist domination and examine the sociolinguistic means or pedagogies by which global and local social actors are educated within the capitalist world system to serve the needs of capital i e capital accumulation Two specific case studies one in the United States and one in the United Kingdom are utilized to demonstrate how contemporary educational emphasis on language and literacy parallels the organization of work and contributes to the debate on academic underachievement of black students vis a vis their white and Asian counterparts      **CXC Study Guide: English A for CSEC®** Ken Haworth, Imelda Pilgrim, Anthony Perry, Maria Darlington, Joyce Stewart, 2017-10-05 Developed exclusively with the Caribbean Examinations Council this Study Guide will provide you with the support to maximise your performance in CSEC English A Written by a team of experts in the syllabus and the examination this Study Guide covers all the essential information and has online support Each topic begins with key learning outcomes and contains a range of features to enhance your study of the subject      **New Mastering CXC English A** Romeo Gunness, Roydon Salick, 1994

*Voices and Visions of Education Heroes, Leaders, and Elders* Charles H. Wheatley OBE PhD., 2020-02-14 From the birth of a formal education system through the end of slavery in the early nineteenth century to today s struggles to incorporate technology into classrooms this book delivers a detailed history of schooling in the British Virgin Islands Charles H Wheatley OBE PhD a lifelong educator and school administrator has been practicing his craft since 1955 when the first Education Act was passed in the Virgin Islands Legislature He puts the classroom to life on the printed page The author highlights the struggles and triumphs of the leaders elders and heroes in the growth of the educational system focusing on the period from 1834 to 2016 On this journey you will hear various voices of British Virgin Islanders as they fought for better educational opportunities for the children of the territory and you ll see faces of change as society evolved Each chapter addresses issues in education from a historical perspective with the characteristics of each historical period clarifying the roots from which our educational growth started Trace the path of the British Virgin Islands development through the prism of the educational strides its made while responding to massive demographic social and technological change      **Hard Words** S. Joel Warrican, 2005 Throughout the Caribbean there is concern about the standard of writing among students This concern is

verbalized in numerous reports from the Caribbean Examination Council CXC on students performance in English in their certification examinations *Hard Words* offers solutions to this problem by exploring the effects of English based Creole on students writing and by promoting reading as powerful tool that can assist students and teachers in the classroom Existing studies of adolescents leisure reading rarely afford the opportunity to observe them engaging with reading material over an extended period In *Hard Words* the author uses observations and in depth interviews to gauge students reaction to different reading material reading related activities and streaming This study is unique in its provision of a programme to promote a culture of leisure reading as well as a mechanism for assessing the relationship between reading for pleasure and writing It also offers insights into students thoughts about reading their preference of reading materials and activities that can be used to encourage them to read more Through the use of figures tables samples of students writing and useful references the book provides a valuable source of teaching strategies for Caribbean Students in classrooms both within and outside the Caribbean
