Cyber Union Handbook Transforming Labor Through Computer Technology:

The Cyberunion Handbook: Transforming Labor Through Computer Technology Arthur B Shostak,2015-02-24 In his original CyberUnion the author presented a bold plan for unions to develop a more significant role in the 21st century by adopting four strategic aids futuristics innovations services and traditions F I S T knit together by cutting edge Info Tech resources CyberUnions in Action expands on the F I S T model and looks at gains and setbacks in pioneering efforts to create CyberUnions It highlights relevant websites and features interviews with key CyberUnion advocates and some critics Shostak reviews overseas union efforts for transferable lessons and pays special attention to the AFL CIO campaign to ensure Labor s advances in the use of computer networks the Internet wireless devices and more **Globalization and Labour in the Twenty-First Century** Verity Burgmann,2016-04-14 The Open Access version of this book available at <http://www.tandfebooks.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives 3 0 license

Globalization has adversely affected working class organization and mobilization increasing inequality by redistribution upwards from labour to capital However workers around the world are challenging their increased exploitation by globalizing corporations In developed countries many unions are transforming themselves to confront employer power in ways more appropriate to contemporary circumstances in developing countries militant new labour movements are emerging Drawing upon insights in anti determinist Marxian perspectives Verity Burgmann shows how working class resistance is not futile as protagonists of globalization often claim She identifies eight characteristics of globalization harmful to workers and describes and analyses how they have responded collectively to these problems since 1990 and especially this century With case studies from around the world including Greece since 2008 she pays particular attention to new types of labour movement organization and mobilization that are not simply defensive reactions but are offensive and innovative responses that compel corporations or political institutions to change Aging and less agile manifestations of the labour movement decline while new expressions of working class organization and mobilization arise to better battle with corporate globalization This book will be of interest to students and scholars of labour studies globalization political economy Marxism and sociology of work

Knowledge Workers in the Information Society Catherine McKercher,Vincent Mosco,2008-01-01 Knowledge Workers in the Information Society addresses the changing nature of work workers and their organizations in the media information and knowledge industries These knowledge workers include journalists broadcasters librarians filmmakers and animators government workers and employees in the telecommunications and high tech sectors Technological change has become relentless Corporate concentration has created new pressures to rationalize work and eliminate stages in the labor process Globalization and advances in telecommunications have made real the prospect that knowledge work will follow manufacturing labor to parts of the world with low wages poor working conditions and little unionization McKercher and Mosco bring together scholars from numerous disciplines to examine knowledge workers from a genuinely global perspective

New Labor Forum ,2006 *Viable Utopian Ideas* Art Shostak,2015-06-11 Utopias whether philosophical literary or actual experiments are attempts to solve all social problems In the wake of the attack on the World Trade Center unfolding corporate scandals and other devastating shocks it is natural to search for practical lessons in utopian literature In this collection noted sociologists renew the call to develop an altruistic social order They address a wide variety of topics as they look for viable utopian ideas that can be applied to today s society Written in an engaging jargon free style and directed to introductory sociology students as well as anyone concerned with social problems the book provides both visionary ideals and insights for pragmatic decision making as we venture into an uncertain future *Challenge Magazine* ,2002 **Academic Studies in Humanities and Social Sciences** Redzep ŠKRIJELJ, Ertugrul DUZGUN,2021-05-15 Academic Studies in Humanities and Social Sciences *Challenge* ,2002-03 *Annual Review of Anthropology* ,2007 Annual compilation of critical articles from all areas of the discipline of anthropology **Academe** American Association of University Professors,2004 **CyberUnion** Arthur B Shostack,2016-09-16 Key players in organized labour in the USA and abroad are busy modernizing their communications and making creative and effective use of computers and other technology The author of this book argues that the road to CyberUnion has begun and that those unions are ensuring a future strength *Books In Print 2004-2005* Ed Bowker Staff,Staff Bowker, Ed,2004 *Labor Notes* ,2000 **Collective Bargaining and Accountability in Higher Education** National Center for the Study of Collective Bargaining in Higher Education and the Professions (U.S.).
