Ottenheimer Publishers,1991 **Pop-Up Books** Nancy Larson Bluemel,Rhonda Harris Taylor,2012-02-02 A convincing explanation of why interactive or movable books should be included in the library collection that documents their value as motivational instructional tools in all areas of the school curriculum across many grade levels Pop up books possess universal appeal Everyone from preschoolers to adults loves to see and tactilely experience the beautiful three dimensional work of Robert Sabuda David A Carter and other pop up book creators Sabuda himself was inspired to become a pop up book artist after experiencing the 1972 classic pop up *The Adventures of Super Pickle* The effect of these movable books on young minds is uniquely powerful Besides riveting children s attention pop up books can also help build motor skills teach cause and effect and develop spatial understanding of objects Based on their direct experience and many presentations to teachers and librarians the authors have provided template lesson plans with curriculum and standards links for using the best pop up books currently available in the instructional program of the school The book also includes profiles of the most notable authors a history of the format definitions of terms such as flap book and paper engineer and information on how to create movable books Librarians will find the section regarding collection development with the format how and where to acquire them proper storage methods and the annotated listing of the authors 50 favorite pop ups extremely helpful *Pop-up and Movable Books* Ann Rothwell Montanaro,1993 For historians of printing and book design students of children s literature and book collectors this record of 19th and 20th century English language books containing movable illustrations identifies indexes and describes some 1 600 titles The volume is arranged alphabetically by title and has three separate indexes sorted by publication date personal names of contributors and series titles Annotation copyright by Book News Inc Portland OR **The Insiders** Tijan,2021-05-04 *The Insiders* is the first in a brand new page turning romance trilogy from New York Times bestseller Tijan Bailey is as normal as could be with a genius IQ and a photographic memory But still normal for her Then things happen a guy breaks into her house in the middle of the night to take her hostage She finds out her father is actually billionaire tech genius Peter Francis the same guy she s idolized all her life She learns all this when she meets dark mysterious and electrifying Kashton Colello He s an associate of her father s and he gives Bailey two choices go with him and meet her father or survive on her own because those kidnapers are going to try again It s a no brainer After this three things become clear for Bailey 1 She s living at her father s sprawling estate complete with bodyguards and the best security that money can buy 2 She s no longer an only child She has three siblings and has no idea what to do with them and vice versa 3 She is being guarded by Kash himself Personally guarded And there is a lot of guarding going on there and some of it is going to drive her crazy A complete outsider in a world of wealth and decadence Bailey has to find her way within a family that has more secrets than she could have imagined One of these

secrets could be deadly **The South Side Criminals: Project Nartana Case Set 2** Kimberly Vogel,2015-04-26 Every villain has a reason for why they do wrong The Nartana brothers are on the right side of the law Charged with bringing in seven criminals the brothers journey into the desert of South Side Some are easily found others not so much Either way the Nartana brothers are relentless in their hunt The criminals will be caught and returned to prison Hopefully they won't make too much of a mess of South Side before then This Collection includes Feet to the Fire To Kill More Flies My Two Cents A Bird In the Hand The Camel's Back Where There's a Will Hair of the Dog along with bonus storyline and illustrations

Expanding Adaptation Networks Kate Newell,2017-05-22 This book addresses print based modes of adaptation that have not conventionally been theorized as adaptations such as novelization illustration literary maps pop up books and ekphrasis It discusses a broad range of image and word based adaptations of popular literary works among them The Wizard of Oz Alice in Wonderland Daisy Miller The Strange Case of Dr Jekyll and Mr Hyde Moby Dick and Adventures of Huckleberry Finn The study reveals that commercial and franchise works and ephemera play a key role in establishing a work's iconography Newell argues that the cultural knowledge and memory of a work is constructed through reiterative processes and proposes a network based model of adaptation to explain this Whereas most adaptation studies prioritize film and television this book's focus on print invites new entry points for the study of adaptation

Climate Change, Hazards and Adaptation Options Walter Leal Filho,Gustavo J. Nagy,Marco Borga,Pastor David Chávez Muñoz,Artur Magnuszewski,2020-02-14 This book addresses the issue of climate change risks and hazards holistically Climate change adaptation aims at managing climate risks and hazards to an acceptable level taking advantage of any positive opportunities that may arise At the same time developing suitable responses to hazards for communities and users of climate services is important in ensuring the success of adaptation measures But despite this knowledge about adaptation options including possible actions that can be implemented to improve adaptation and reduce the impacts of climate change hazards is still limited Addressing this need the book presents studies and research findings and offers a catalogue of potential adaptation options that can be explored It also includes case studies providing illustrative and inspiring examples of how we can adapt to a changing climate
