

Cyril Connolly

Cyril Connolly

Cyril Connolly:

The Selected Works of Cyril Connolly Cyril Connolly, 2003 A towering figure in the literary landscape for five decades and one of the most astute and influential critics of the twentieth century Cyril Connolly was infamous for his straight talking continuously engaging and utterly individual style *The Modern Movement* is the first of two volumes of Cyril Connolly's Selected Works edited by his son Matthew Featuring the best of his critical essays it charts the whole of his career spanning his early thoughts on film through an analysis of the impact of war on literature to his writings on the Modernists including Auden Camus Dylan Thomas and Beckett A sparkling collection *The Modern Movement* exemplifies the penetrating mind the questioning spirit and the provocative views of a man who lived a life in letters and held a place at the very heart of the literary world that his work described An extraordinary stylist and one who has aged remarkably well You connect instantly and with a bark of laughter *Daily Telegraph* Crammed with his moaning and yearning with a restless staring into the world and a gloomy relish at nearly all he sees *New Statesman* Connolly may again prove to be salutary reading now in the bleak mad days of this new century *Spectator* Connolly's humour is mordant self-lacerating and occasionally brave *Independent*

The Selected Essays of Cyril Connolly Cyril Connolly, 1984 Cyril Connolly best known for *The Unquiet Grave* and *Enemies of Promise* was an essayist and parodist of genius a literary journalist editor of monthly magazine *Horizon* 1939-1950 book critic for the *London Sunday Times* from 1951 and nurturer of some of the finest writers of his time The essays in this volume are selected from *The Condemned Playground* *Essays* 1927-1944-1945 *Ideas and Places* 1953 and *Previous Convictions* 1963

Cyril Connolly Clive Fisher, 1995 **Cyril Connolly** David Pryce-Jones, Cyril Connolly, 1983 *The Selected Works of Cyril Connolly: The two natures* Cyril Connolly, 2002 *Enemies of Promise* Cyril Connolly, 2008-07 Whom the gods wish to destroy writes Cyril Connolly they first call promising First published in 1938 and long out of print *Enemies of Promise* an inquiry into the problem of how to write a book that lasts ten years tests the boundaries of criticism journalism and autobiography with the blistering prose that became Connolly's trademark Connolly here confronts the evils of domesticity politics drink and advertising as well as novelists such as Joyce Proust Hemingway and Faulkner in essays that remain fresh and penetrating to this day A fine critic compulsive traveler and candid autobiographer Connolly lays down the law for all writers who wanted to count He had imagination and decisive images flashed with the speed of wit in his mind V S Pritchett *New York Review of Books* Anyone who writes or wants to write will find something on just about every single page that either endorses a long held prejudice or outrages and that makes it a pretty compelling read You end up muttering back at just about every ornately constructed penance that Connolly utters but that's one of the joys of this book Nick Hornby *The Believer* A remarkable book Anthony Powell **The Selected Works of Cyril Connolly: The modern movement** Cyril Connolly, 2002 *Cyril Connolly* Jeremy Lewis, 2012-02-29 In one of the funniest biographies I have ever read Lewis assembles all the excellently entertaining anecdotes about this deeply loved much mocked sometimes reviled figure whose

departure has robbed the literary world of its social smartness and any worthwhile eccentricity An excellent wildly funny and informative biography Auberon Waugh Literary Review Precociously brilliant in his youth Cyril Connolly was haunted for the rest of his life by a sense of failure and a romantic yearning to recover a lost Eden His two great books *The Unquiet Grave* and *Enemies of Promise* are classics of English prose combining wit romanticism and merciless self knowledge As witty in person as he is in his prose he was notoriously slothful and greedy he was married three times and his dealings with women were bedevilled by a lifelong tendency to be in love with two or more people at once

The Selected Works of Cyril Connolly Cyril Connolly, 2002

Modern Short Story and Magazine Culture, 1880-1950 Chris Mourant, Elke D'hoker, 2021-01-19 This collection of original essays highlights the intertwined fates of the modern short story and periodical culture in the period 1880-1950 the heyday of magazine short fiction in Britain Through case studies that focus on particular magazines short stories and authors chapters investigate the presence status and functioning of short stories within a variety of periodical publications highbrow and popular mainstream and specialised middlebrow and avant garde Examining the impact of social and publishing networks on the production dissemination and reception of short stories it foregrounds the ways in which magazines and periodicals shaped conversations about the short story form and prompted or provoked writers into developing the genre
