Dad By Choice:

Dad's Journey Jill A. A. Gilson,2020-10-07 Dad s Journey tells the story of one family who rely on each other to endure a life changing event When Arnie Kustka became a paraplegic from a blood infection his life turned upside down The list of things that he would no longer be able to do grew The challenges that he needed to overcome increased Many emotions were felt as Arnie s health became the family roller coaster but the family s determination to give both Arnie and his wife Shirley the best life they could possibly have remained constant The four children did their parts in caring for their parents Arnie experienced the end of his life from the height of a wheelchair Even though his legs would no longer work his sense of humor and love for a good joke were never lost His journey was not an easy one but with Shirley by his side they learned to accept his condition The family s faith and love for each other grew stronger even after Arnie s passing They realized that God had a plan for Arnie Read about the man whose family learned how to love in the midst of a tragedy *Soaring Above the Ashes on the Wings of Forgiveness* Kitty Chappell,2017-09-29 I finally realized that no matter how much I wanted to I could not protect my family Though I daydreamed of ways for us to escape I knew it was impossible Dad had warned us too many times to not go mouthing off to anyone about things that are none of their business or I ll put you all out of your misery The oldest of three Kitty Chappell did her best to shield her brother and sister from their fathers abuse but little could stand in the way of his beatings and vicious remarks None of them escaped his brutality As a well respected family man in their Texas community in the 1950s her father enjoyed a sure confidence in his control over his family His assurance proved correct when he attacked her mother and turned friends against her aiming shocking accusations at his wife and daughter Everyone thought her father was wonderful including the jury that gave him the minimum sentence for trying to kill Kitty s mother as she lay sleeping Only three and a half years for premeditated attempted murder It just wasn t fair Kitty loved God but disagreed with Him on the subject of forgiveness Many people were in her corner for who hasn t debated this issue with God She didn t want to forgive she wanted revenge But as Kitty developed her relationship with Christ she realized she needed to forgive the man who had caused her so much pain *Soaring Above the Ashes on the Wings of Forgiveness* will keep you riveted to your seat with its twists and turns You will be enraged and terrified with the author through her difficult journey Ultimately you will rejoice with her as she walks through the door of forgiveness and breathes in the fresh air of freedom *Soaring Above the Ashes on Wings of Forgiveness* reveals Kittys remarkable story of courage and faith and how she developed the attitude that enabled her to overcome rather than merely survive This touching story will inspire you to overcome your difficulties and experience your own freedom and joy as you learn to forgive when everything in you screams for revenge

Pure Fatherhood and the Hollywood Family Film Denise McNulty Norton,2021-07-20 This book maps father failure and redemption through three decades of Hollywood family films revealing how libertarian notions that align agency with autonomy lead to new conflicts for the contemporary father The films find resolution to these conflicts through a

re gendering of parenting as relationship In their creation of a pure fatherhood that is valorised as authentic for its lack of parental responsibilities the films serve to challenge the perception that fathering enacted outside the nuclear family structure is fragile McNulty Norton finds in the films a new essentialism that secures the pure relationship to the biological father reinforcing his position in the face of changing family forms
