*Back Seat of Daddy's Car* Jessie Carr, Explicit age play erotic story From the 1Erotic Short Story Best Selling Author Jessie Carr DICTIONARY Age play the act of an adult pretending to be much younger than they are usually for mutual sexual gratification Taster I stood outside the burger place the chill wind blowing around my bare legs and up the school uniform skirt If it had just been a bit longer it wouldn't have been so bad thankfully I only had to wait a minute or two before he pulled up in the car I jumped in Hi Daddy I called out knowing he loved it when I spoke in a shrill playful voice whilst biting my lip Hey princess Can I have a sweetie please Not yet wait till we get to the park He said using his daddy voice Ohhhh I said back pouting at him Put your seatbelt on He said as we drove off I pulled the long strap across me and plugged it in I looked down at myself I barely took up half the seat I was so skinny I didn't care how small I looked my daddy loves me and that's all I care about He must've been eager today because he drove quickly and in a few minutes we arrived at the park He turned the engine off and sat looking down at me He's big but not massive even so I looked like a pixie doll compared to him My heart was beating really fast Can I have a sweetie now He twisted his mouth like he was trying to chew away a smile They're in a bag on the back seat I put my hand on the handle and as soon as I did he coughed one of those false coughs that people do to get your attention I knew exactly what he meant by it it made me smile I knew what to do I undid my seatbelt and twisted my body between the seats stretching to reach the bag at the back I knew without looking that he was staring at my legs and my long socks and my skirt was just long enough that he wouldn't quite be able to see my panties but the hope was there
