**The Ultimate Dad's Army Quiz Book** Nigel Freestone, 2013-01-09 Are you a fan of the classic British sitcom Dad's Army Do you miss the slapstick humour and camaraderie of the well drawn characters Is this iconic TV show one of your all time favourites If you answered yes to any of these questions you are certain to enjoy The Ultimate Dad's Army Quiz Book What is the name of the fictional town where Dad's Army is set Which legendary wartime music hall star sang the Dad's Army's signature tune for which he was paid a fee of 100 guineas How many TV episodes in total were made of the programme The answers to these and many more thought provoking questions can all be found in this new quiz book Dip inside and test your knowledge of the characters and the actors who brought them to life the writers locations and individual episodes Travel back in time and lose yourself in the nostalgia pathos and word play of one of the most successful and best loved British sitcoms of all time Dad's Army *Dad's Army 3*, 1993 *Dad's Army Goes to War* Melody Foreman, 2024-12-30 For decades the classic evergreen BBC comedy Dad's Army has entertained millions of viewers around the world But the farcical antics of Walmington on Sea's bumbling Home Guard platoon camouflage the true military service of some of the actors themselves Despite their light hearted appearance many of the cast saw active service in one or even both of the world wars and much of it far from humorous The inspiration behind the sitcom was the experiences of one its writers Jimmy Perry who as a young 16 year old wannabe comedian was still waiting for his call up papers when he joined the eager warriors of the Home Guard in 1940 Little did he know how decades later that ribald group of men in the Watford battalion would provide the inspiration which put his name up in lights Indeed was it Perry's own goofy gullibility as a teenager that helped form the character of Private Pike Also admitted Perry the affable Lance Corporal Jones in real life Clive Dunn a former prisoner of war who served in the 4th Queen's Own Hussars was partly based on an old soldier Perry knew who had served in the Sudan This veteran recalled being told by a CO to piss on your rifle to cool it down Perry went on to serve in India in the Royal Artillery and then later with Combined Services Entertainments As a twenty year old British Army officer David Croft was stationed in North Africa when a raft of comical events including his struggles with a Bofors gun went on to shape the calamities which befall the Dad's Army troopers theater mad Derbyshire lad Arthur Lowe who played the redoubtable Captain Mainwaring was thin with knobbly knees when he was seconded to the No 2 Field Entertainment Unit in Egypt Meantime languid good mannered actor John Le Mesurier reported for duty with the Royal Tank Regiment complete with golf clubs in his car boot By 1943 he was ironically enduring life in Deolali Doolally in India when he had a captaincy thrust upon him until being demobbed in 1946 The astonishing bravery of actor and playwright Arnold Ridley who was denied a DSO and a Military Medal for his actions during the First World War makes for heart rending reading His creation of dear old Private Godfrey won him millions of adoring fans The classical actor John Laurie Private We're all doomed Frazer was also a hero of the trenches Always dry witted he once made everyone laugh on set when he remarked I've played every

part in Shakespeare I was considered to be the finest Hamlet of the 1920s and I had retired and now I am famous for doing this crap That each man including the mocking Laurie helped turn Dad s Army into everlasting success will never be forgotten And why Well in reality they had seen war and knew war and yet always completely realised and understood how the power of laughter is the ultimate triumph

**The Napoleonic 'Dad's Army'** Paul L Dawson,2024-04-30 During the crisis year of 1792 when war against France was at its closest a variety of societies and associations of Loyal Britons were set up throughout Britain Their aim was to organise patriotic anti French forces in defense of king and country and to help maintain the established order The need to provide an internal defense force resulted in the Volunteer Act of 1794 It witnessed the formation of hundreds of volunteer regiments on the upswell in loyalist sentiment following the disorder and instability witnessed across the Channel in Revolutionary France By 1798 there were 118 000 volunteers but faced with the possibility of a French invasion of Southern England William Pitt s government aimed to expand this number substantially By 1804 there were an astonishing 380 000 volunteers under arms and the various Corps made up half to one third of all the home service forces When we add in those volunteers who agreed to serve overseas as garrison troops in India for example the number grows to approximately 800 000 meaning that around one in every five adult males participated in military activities This amazing groundswell of patriotic fervour has seldom been investigated before Using diaries and archive sources this book seeks to explore the Dad s Army of the Napoleonic Wars These men were far more than local bands of volunteers they represented a militarisation of society not previously seen and which was repeated again when the world was thrown into war in the twentieth century

victories of the modern era when they defeated a French expeditionary force at the remote outpost of Dien Bien Phu Vietnam's stunning triumph ended French colonialism in Indochina and set the scene for the United States disastrous intervention eight years later Although the fall of Dien Bien Phu occurred more than half a century ago the battle continues to present a compelling metaphor for contemporary Australian military strategy Numerous factors contributed to the Viet Minh's triumph but the most crucial was the local army's ability to conduct war amongst the people something that was entirely beyond both the comprehension and the competence of the French invaders Since federation Australian defence strategy has oscillated between two main forms expeditionary campaigns and the defence of Australia Expeditionary campaigns have been the dominant model even though with the notable exception of the Second World War their unintended consequences have diminished rather than enhanced national security
