**Fathers and Sons in the English Middle Class, c. 1870-1920** Laura Ugolini,2021-04-01 This book explores the relationship between middle class fathers and sons in England between c 1870 and 1920 We now know that the conventional image of the middle class paterfamilias of this period as cold and authoritarian is too simplistic but there is still much to be discovered about relationships in middle class families Paying especial attention to gender and masculinities this book focuses on the interactions between fathers and sons exploring how relationships developed and masculine identities were negotiated from infancy and childhood to adulthood and old age Drawing on sources as diverse as autobiographies oral history interviews First World War conscription records and press reports of violent incidents this book questions how fathers and sons negotiated relationships marked by shifting relations of power as well as by different combinations of emotional entanglements obligations and ties It explores changes as fathers and sons grew older and assesses fathers role in trying to mould sons masculine identities characters and lives It reveals negotiation and compromise as well as rebellion and conflict underlining that fathers and sons were important to each other their relationships a significant if often overlooked aspect of middle class men s lives and identities [The Love Link](#) Pearl Doles Bell,1925 **The Living Age** ,1911 [The Lantern Bearers](#) Mrs. Alfred Sidgwick,1911 **Catalogue** Montgomery Ward,1941 [Small Town England](#) Tim Bradford,2010-04-09 Tim Bradford is growing up in a small town in Lincolnshire in the 1970s Market Rasen is not the most exciting place but to his teenage mind it was the centre of the universe Tim is at that in between phase between childhood and adolescence where you are trying to be grown up and get your first snogs whilst at the same time still playing with airfix models and making dens Tim takes us through his first crushes falling in love with the local beauty queen and an elusive Gallic beauty on a French exchange His first attempts at getting drunk and trying to impress girls forming bands which churned out endless numbers of rubbish songs and trying to avoid deckings by the local hards Tim and his equally hapless friends are gradually working towards breaking free of their childhoods and moving away

from their roots Life in this small town was a rollercoaster of mundane happenings Small Town paints a portrait of the energy and melancholy at the heart of our generation the inability to live for now and the feeling that something better is just around the corner Too young just to be baby boomers and too English and uncool to call itself Generation X It s a universal tale about dreams ambitions brass bands cubs rugby songs football stickers tractors young love and valve amplifiers connected up to cheap distortion pedals set at a time of political change and pudding basin hair **We Celebrate Our Mother and Father**

Joseph Patrick Meissner,Brian Gerard Meissner,Rose Elizabeth Meissner Vernon,Robert Charles Meissner,Anne Marie Meissner,2018-08-30 Honor thy father and thy mother This is the fourth commandment from the ten God gave us through Moses in the Bible This fourth follows the initial three signifying our duties to the Supreme Being After God our next obligation is to our parents This shows the importance of parents Notice the word is honor It does not say obey but honor certainly includes obedience Furthermore this commandment does not end when we each reach maturity The commandment of honor signifies we must respect our parents all their lives Our mother was Norah Attracta Cusack Our father was Joseph Charles Meissner By the usual social standards they were very ordinary people on this planet However they possessed their own wonderful beauty and intelligence They were most extraordinary parents who welcomed us to life took care of our needs ensured we received great educations and devoted their lives unselfishly to us for decades But they gave us much more than our mere bodies They gave us faith hope and love during their long lives They showed us how to live as God urges us to live They continuously nourished us spiritually from our mother s nightly demands to kneel in the living room praying the rosary to our Blessed Virgin to our father who drove us even in the blinding snow freezing cold and storms to church every week ensuring we arrived on time Here are words from my brother Robert for our parents As for our son Scott who suffering from severe PTSD ended his life I agree he is somewhere around and still present in the universe So are our mom and dad I think after we die we will learn how all this is done you know Mom and Dad are the greatest proof of God religion and an afterlife They were so good and worked tirelessly for our family If you asked them about religion the church and faith they might say it really doesn t matter except you treat your fellow human beings with dignity and acknowledge God as Father The rest of the argument really doesn t mean that much So to Mom and Dad we celebrate your lives and say an enormous thank you
