Dagger Between Her Teeth Poems:

The Dagger Between Her Teeth Jennifer LoveGrove,2002-04 Powerful and compelling this collection of poetry confronts notions of violence both physical and emotional by focusing on a woman s strength of will and capacity for ferocity In it the poet resurrects and reinvents the dramatic young lives of two 18th century corsairs Anne Bonny and Mary Read Alive with the golden age of piracy but infused with the pulse of now these poems provoke with theatrical plundering creative cross dressing and vicious vengeance

Between the Walls Paul Vermeersch,2014-08-12 Paul Vermeersch examines the forces that divide us and isolate us as individuals in both the natural and man made worlds at the moments when those worlds intersect and in the places where we live and work During a violent row between teenage boys a starling explodes like a hand grenade A clutter of inbred cats plays out the rise and fall of mankind in a secluded country barn While driving his girlfriend home a young man is forced to alter the course of his future by the sudden appearance of a plague of toads And in the harrowing final sequence we are taken on a tour through a fragile city verging on its own ruin As fantastic as they are visceral these poems shed new light on our darkest corners and take us deep between the walls those that are thrust up before us as well as those of our own making

Early Poetry of Jaroslav Seifert Jaroslav Seifert,1999 Despite being awarded the Nobel Prize in literature in 1984 much of Czech poet Jaroslav Seifert s work has yet to be translated into English Publication of *Early Poetry* will earn for Seifert well deserved literary recognition Seifert s poetry is strongly situated within the Czech literary tradition of Poetism which evolved into a playful lighthearted refuge from world history while maintaining an edge of social consciousness
