

CUSTOMER SERVICE EXCELLENCE

Principles of Achieving Customer Service Excellence

Customer Service Aiming For Excellence

Jicheng Xie

Customer Service Aiming For Excellence:

Customer Service Timothy P. Bonomo, 2002 Customer Service Aiming for Excellence is a fast paced humorous and fresh approach to Customer Service that will benefit both first time employees and seasoned professionals as well This easy to read one sitting book tells you how to handle different customers instead of just why you need to The fun and insights are inescapable and it provides the tools to deal with difficult situations with confidence and a greater understanding of the underlying motives behind behavior Customer Service Aiming for Excellence introduces the concept of Linked Pairs the relationships between the situations conditions that cause a problem and the generally appropriate techniques that aid in solving it Aiming for Excellence also teaches you to identify the 5 customer types and how best to handle them based on their personality The book also discusses Opportunities for Excellence Everyday Extraordinary Service and Professionalism If you have already read a book on customer service have some fun and add this one to your list If you read only one book on customer service make this one it Expanding Customer Service as a Profit Center Rob Reider, 2012-07-20 Striving for excellence in customer service is to gain the competitive advantage It is the keystone for the business to grow and prosper in the right direction so that it builds through repetitive sales to existing customers and referrals to potential customers If you were to look at customer service in your organization as a major business component and all customers are treated with excellence prior to the sale during the sale and after the sale customer service will become a profit center that builds sales dollars to the top line and real profits to the bottom line This book can help you and any organization manager achieve customer service excellence with its basic principle of doing the right thing at the right time for the right customers It can also assist in building organizations with strong customer bases and sales loyalty The author smartly gives you real practical how tos in providing excellent customer service in all aspects of your operations by doing the right thing despite the counter pressure within your organization As many businesses are struggling to be competitive or merely to survive this book is your primer or how to for identifying and maintaining customer service excellence in all operational areas on the path to developing a learning organization No matter what type of business this book can be a learning coaching and mentoring tool in your quest to make the delivery of customer service the best possible in today s ever changing business environment

Airline Customer Experience Pushan Kumar Dutta, Martin Ricciuti, Ismail Bogrekci, Sumeet Suseelan, 2025-08-26 In the 21st century commercial aviation has been transformed into a passenger centric business in which the customer has assumed an ever more active role in managing their own journeys This trend is set to continue with innovations and transformations in multiple areas Point of sale solutions will redefine in flight commerce making it easier for passengers to make purchases during their journey Telemedicine will ensure health and safety onboard allowing for immediate medical assistance in case of emergencies The shift to personal electronic devices for in flight entertainment IFE will cater to the digitally savvy passenger and their expectations in the digital age Smart cabins will revolutionize in flight food and beverage

services providing passengers with a more personalized and enjoyable experience Data driven catering will reduce food waste and boost profits in aviation In short all areas of the passenger experience will be affected by ongoing digital transformation Airline Customer Experience Digitalization in Passenger Services aims to show how digitalization is transforming the way the aviation industry operates making it more efficient profitable and sustainable The wide ranging contents embrace all aspects of aviation relating to the customer experience from purchase and pre check in to the services offered to passengers in flight and beyond The authors present a nuanced and kaleidoscopic view of the airline customer experience which will be at once familiar and illuminating to readers This book is an essential resource for advanced postgraduate students and researchers working in aviation particularly those with a focus on aviation service operations management customer services and customer relationship management Practising airline managers and operators will also value the innovative insights and examples the book offers

Gower Handbook of Customer Service Peter Murley,1997 This new Gower Handbook covers an area of management that is now regarded as fundamental to the success of any organization whether it is in the private or the public sector A team of experienced professionals and practising managers have pooled their expertise to provide nearly 50 chapters of current best practice in all aspects of customer service management making this a valuable addition to the renowned Gower Handbook series
