**Quantick's Quite Difficult Quiz Book** David Quantick,2021-11-04 Best quiz book ever HARRY HILL Quantick is the Captain Beefheart of quizzing MARK BILLINGHAM The antidote to every deathly dull pub quiz you ve ever been to This is how a quiz book should be written where having fun is the most important outcome GARY WIGGLESWORTH author of The Book Lover s Quiz Book Distinctive unusual difficult but spectacularly entertaining this quiz book is to other pub quizzes what Trivial Pursuit was to Ludo what The Hitch Hiker s Guide to the Galaxy is like to the Rhyl phone directory and what the Rolls Royce Silver Ghost is like compared to a kid s scooter Loads better David Quantick works regularly with Armando Iannucci including on the new HBO series Avenue 5 He won an Emmy as part of the writing team on Veep a BAFTA for Harry Hill s TV Burp and a Writers Guild Award for The Thick of It For over fifteen years David has also hosted his own very popular quizzes at festivals events pubs clubs cinemas and in tents the quizzes range is broad and the questions are tricky They re not about statistics there s no sport the picture rounds are conceptual and there s sometimes a round called Martin Amis Character or Blur Song Each quiz is funny and entertaining even if you don t know the answers The quizzes are informative and opinionated In some ways they re like stand up with questions This is a book based on David s excellent live

quizzes described by many people as quite difficult But they are quizzes Quite difficult quizzes that tax the brain and make it go in directions it didn't know it could That's not to say the questions are fiendishly scientific and packed with questions about dates and the periodic table They're about books and music movies and actors strange events and interesting quotes You don't leave a Quantick quiz knowing how many times Spurs have won the League but you may know how many Shirleys have sung a Bond theme or how George V made the front page of The Times The effectiveness of David's quizzes is down to their unusual variety and almost stream of consciousness leaps and bounds of factual imagination There's not even much point in cheating because the answers often require mental agility as well as just knowing where Calais is it's in France but it wasn't always even when it was David's quiz book includes twenty five main quizzes four Christmas quizzes and four specialist quizzes so thirty three quizzes in total Entertaining in its own right this is also a conceptual yet very practical guide to staging excellent quizzes of your own
