Fanfiction and the Author Judith Fathallah,2025-10-01 The production reception and discussion of fanfiction is a major aspect of contemporary global media Thus far however the genre has been subject to relatively little rigorous qualitative or quantitative study a problem that Judith M Fathallah remedies here through close analysis of fanfiction related to Sherlock Supernatural and Game of Thrones Her large scale study of the sites reception and fan rejections of fanfic demonstrate how the genre works to legitimate itself through traditional notions of authorship even as it deconstructs the author figure and contests traditional discourses of authority Through a process she identifies as the legitimation paradox Fathallah demonstrates how fanfic hooks into and modifies the discourse of authority and so opens new spaces for writing that challenges the authority of media professionals
