## **Doktor Faustus:**

**Doctor Faustus** Thomas Mann, 2025-09-12 Why must I feel that almost all no all of the devices and conventions used by art are today only fit for parody Adrian Leverk hn is a composer who at terrible personal cost makes the breakthrough from traditional art to extreme modernism and success Creative and brilliant he will stop at nothing to achieve greatness Thomas Mann wrote Doctor Faustus 1947 in American exile during and just after the Second World War A prominent and long standing defender of democracy he sought to understand in cultural and intellectual terms how Germany had succumbed to Nazism Mann structures his story through references to the German legend of Faust and his pact with the Devil The life of the solitary composer an ultimately tragic figure is recounted by his friend and biographer who represents a sadly ineffectual humanism and whose social activities provide a panorama of middle class German society in the early twentieth century Ritchie Robertson s new English translation is accompanied by detailed annotations and an introduction illuminating the themes of the novel ABOUT THE SERIES For over 100 years Oxford World s Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford s commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more

Doctor Faustus Thomas Mann, 1999-07-27 John E Woods is revising our impression of Thomas Mann masterpiece by masterpiece The New Yorker Doctor Faustus is Mann s deepest artistic gesture Finely translated by John E Woods The New Republic Thomas Mann s last great novel first published in 1947 and now newly rendered into English by acclaimed translator John E Woods is a modern reworking of the Faust legend in which Germany sells its soul to the Devil Mann s protagonist the composer Adrian Leverk hn is the flower of German culture a brilliant isolated overreaching figure his radical new music a breakneck game played by art at the very edge of impossibility In return for twenty four years of unparalleled musical accomplishment he bargains away his soul and the ability to love his fellow man Leverk hn s life story is a brilliant allegory of the rise of the Third Reich of Germany s renunciation of its own humanity and its embrace of ambition and nihilism It is also Mann s most profound meditation on the German genius both national and individual and the terrible responsibilities of the truly great artist

*Doctor Faustus* Thomas Mann, 1996 This is the story of German composer Adrian Leverkuhn Zeitblom the narrator tells his friend s story against the backdrop of WW2 which acts as counterpoint to Mann s vast theme the discord between genius and sanity

**Doktor Faustus** Thomas Mann, 1992-01-01 Nueva encarnacion del mito faustico esta B novela totalB trasciende el horizonte ya de por si vasto y apasionante de las especulaciones esteticas para plantearse como una parabola de las fuerzas irracionales que mueven a pueblos enteros

**Doktor Faustus: Kommentar** Thomas Mann, Ruprecht Wimmer, 2007 A reworking of the Faust legend in which a fictional German composer Adrian Leverk hn makes a pact with Mephistopheles for early fame After confessing his pact Leverk hn collapses dying ten years later bedridden and helpless The composer s life

parallels the rise and fall of Nazism      *Doktor Faustus* Thomas Mann,1984      Doctor Faustus Thomas Mann,1948 In a story that symbolizes Germany's fall into Nazism a talented German musician Adrian sells his soul to the devil in exchange for recognition as the greatest living composer      **Overturing Dr. Faustus** Frances Lee,2007 Lee establishes what is actually happening in the novel in its historical setting showing Mann's view of how the acceptance of fascism occurred and the determining role he attributed to the academic community in bringing about the disaster Her book will be of interest to both amateur and professional students of Mann particularly because it points to rich new directions for study BOOK JACKET

**Mann: Doctor Faustus** Michael Beddow,1994-09-29 In *Doctor Faustus* his last major novel Thomas Mann attempted to interpret and judge Germany's role in European culture and history since the Reformation Through the figures of the solitary avant garde composer Adrian Leverkühn and his often bemused biographer Serenus Zeitblom Mann explores Germany's self understanding and self assertion The novel intermingles fiction and history in a narrative that combines complex psychological analysis virtuoso stylistic parody and vivid evocation of atmosphere and milieu Michael Beddow analyses the structure of the plot and explores the significance of its chief historical theological psychological and musical themes He considers Mann's understanding and modification of the Faust tradition his thematic and formal indebtedness to Nietzsche and his interest in Adorno's neo Marxism The study concludes with an account of the work's generally hostile reception in defeated Germany      *Changing Perceptions of Thomas Mann's Doctor Faustus* John F. Fetzer,1996 Ever since its appearance in 1947 Thomas Mann's novel *Doctor Faustus* has generated heated reactions among critics Whereas initial ideological differences stemming from the Cold War and the division of Germany have abated following the reunification of 1990 diverse opinions and controversies persist about Mann's daring treatment of the Faust theme These include such topics as the political stance of the author and the historical dimensions of the novel the biographical and autobiographical and backgrounds of the work especially in light of the subsequent publication of Mann's diaries and private notebooks the writer's sexual and psychological proclivities the thorny issues of montage collage and intertextuality musical concerns such as the extent to which the novel's protagonist appropriates as his own Arnold Schönberg's twelve tone system of composition or the role of Mann's fellow exile and mentor Theodor W Adorno in indoctrinating his pupil into avant garde musical techniques the degree to which the novel exhibits structural features of the music on which the narrative focuses and the function of certain mythic prototypes for this modern parody in fashioning the fortunes and fate of Adrian Leverkühn A provocative and still unresolved question centers on the precise role played by Goethe's Faust in the conception and execution of *Doctor Faustus* in spite of Mann's assertion that his version of the legend had nothing in common with the work of his famous predecessor Finally the presence of strong visual elements in the novel leads to an assessment of the critical reception accorded Franz Seitz's film adaptation of *Doctor Faustus* 1982 a dicey subject in Mann circles since few filmed versions of his novellas or novels have enjoyed an unsullied reputation      *Doctor Faustus* David Bevington, Eric Rasmussen,1993-05-15 This volume in

the Revel Plays series offers reading editions with modern spelling of the 1604 and 1616 editions of Marlowe's play arguing that the two cannot be conflated into one Included are sources and commentary literary criticism style and staging performance assessments
