The particulars of each award are included as well as information on discontinued awards. Each entry consists of the name of the award, the awarding organization with address and phone number, a contact individual, a brief description of the award's criteria, and then a complete listing of winners from 1990 through 2000. The entries are arranged alphabetically by country, then by name of award. Indexed by awards and sponsors, titles, and names.

Language Arts Pamela J. Farris, 1997. This comprehensive text offers a balanced approach to the teaching of language arts. Pamela Farris weaves the eclectic elements involved in the teaching process into a substantive, useful guide for preservice and in-service professionals. She itemizes which of the Professional Standards are specifically addressed in each chapter. Her discussions of relevant theories adequately supplement her focus on methods of instruction and teaching strategies, including literature circles, thematic units, writer's and reader's workshops, modeling instruction, small group and whole class activities, and guided reading and writing. Farris presents a variety of classroom-tested activities suitable for different developmental levels in grades K-8, which integrate many or all of the language arts. She also provides numerous assessment techniques, including rubrics, checklists, and portfolios, and provides effective means for evaluating student achievement.

BOOK JACKET 50 Literacy Strategies Gail E. Tompkins, 1998. Elementary Reading or Language Arts. One of today's leading literacy and language arts authors provides future and current teachers with practical, hands-on approaches for teaching literacy in this text that contains 50 research-based and field-tested strategies. It includes strategies for reading, writing, listening, speaking, and visualizing. Each strategy includes general information, defining terms, purpose of the strategy, application, and research citations; a list of steps for implementing the strategy; and a concluding paragraph that gives ideas for application and additional examples.

Enjoying the Song of Expression: An Mental Symphony within **Dont Fidget A Feather**

In a global consumed by displays and the ceaseless chatter of immediate transmission, the melodic splendor and psychological symphony created by the written term frequently disappear in to the backdrop, eclipsed by the persistent sound and distractions that permeate our lives. But, nestled within the pages of **Dont Fidget A Feather** a marvelous literary prize filled with fresh thoughts, lies an immersive symphony waiting to be embraced. Crafted by a masterful musician of language, this interesting masterpiece conducts readers on a psychological journey, well unraveling the concealed songs and profound influence resonating within each cautiously crafted phrase. Within the depths of the emotional assessment, we can examine the book is key harmonies, analyze their enthralling publishing type, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
