Internet Governance Forum. Meeting, 2013. Each year the IGF Secretariat produces a book to provide a concise yet comprehensive summary of the proceedings that take place at the annual global IGF gatherings. Included herewith are edited transcripts of all of the main sessions that took place over the four days in Baku and the reports of the workshops and other events that were submitted appropriately. The theme of the forum for the seventh meeting was Internet Governance for Sustainable Human, Economic and Social Development. As per standard IGF practice, the entire meeting was webcasted and the possibility of remote participation was offered, which doubled the active participation in both main sessions and workshops and other events throughout the week. Real-time transcription was also available to enhance the participatory experience for those present in Baku and around the world.
