[TV Guide](#), 1992. [The Assassin's Weapon](#) Nic M DiSalvo, 2023-10-01. Dajah's on a mission to kill his creators but first he has to find them. Between the constant struggle with the destructive voice in his head and endless nightmares thanks to the company that wanted Weapons instead of children, his day-to-day activities are interesting. When his best lead turns into the one thing that might doom him, he faces an impossible choice: Work with the enemy to survive what's coming or risk losing everything. Kiera calls the shots. She's trying to make her city a better place, one hit at a time, but she's lost the passion that once drove her. After her ex-boss targets her for personal reasons, she has no choice but to team up with a non-human to reclaim her freedom. Navigating the treacherous landscape of trust, betrayal, and awakening magic will be the hardest path she's walked yet. It might rekindle her spark, but it also means coming to terms with a past of uncertain memories. All lines are drawn in the sand, and when trust is a luxury and caring's a liability, the line between enemy and ally blurs.
