Bahamas Crisis:

Gender Inequality in The Bahamas Juliette Storr, 2023-09-05 This book examines sexual power dynamics long held patriarchal values and other harmful attitudes toward women in The Bahamas and Caribbean through the lens of media and law Though gender politics is pushing these societies toward inclusivity Storr adopting a phenomenological framework argues that as sites of both reinforcement and resistance to misogynistic norms future progress must focus on deconstructing the inequitable social institutions underlying unhealthy gender relations

Critical Participatory Inquiry Meagan Call-Cummings, Giovanni P. Dazzo, Melissa Hauber-Özer, 2023-08-16 Critical Participatory Inquiry An Interdisciplinary Guide brings to life key principles of this collaborative research method for students practitioners and research collectives The authors encourage readers to uncover new possibilities in research guided by the emancipatory roots of CPI to deconstruct inequitable conditions and practices Weaving together theoretical perspectives a variety of tools for data collection and analysis and numerous practical examples the authors offer a complete picture of the research process from start to finish This thoughtful and thorough book prepares readers to co create knowledge effectively and ethically By addressing the underlying principles common to a variety of action and participatory research methods readers learn to design and carry out research with not on communities With examples from public health social work psychology education criminal justice conflict resolution and more the text is suited to a wide variety of graduate level courses and better reflects the interdisciplinary nature of participatory research with collectives of all sizes and compositions

The Bahamas Index, 1989 [The Central Bank of the Bahamas](#) Central Bank of the Bahamas, 1974 [The Greenwood Encyclopedia of Women's Issues Worldwide](#) Lynn Walter, 2003 Women are working internationally to build a world based on gender equality and justice Their concerns are shaped by conditions in their own countries and regions and also by conditions for women in other parts of the world Links forged by globalization international relations United Nations gender equality and development programs and women s nongovernmental organizations connect their futures This groundbreaking reference set documents the achievements and current challenges for all women providing distortion free and newly available information about women s status in matters from education to violence in more than 130 countries in the world s most populated areas Written by an international host of contributing specialists this set is accessible to high school students and above Its consistent narrative coverage and relevant statistics are ideal for research and comparisons Readers will find that conceptions of women s issues vary by country as the set illuminates diverse perspectives and contemporary practices that shape the variations in equality and well being among women Judicious inclusion of historical processes helps frame the issues in a holistic perspective Volume maps individual country maps tables photos and indexes by set and volume are also included
