Nelson, 2009-05 Kalif Brown is an inspiring basketball star who has what it takes to make it to the NBA He's a high school senior with big dreams But his off the court lifestyle of drugs and guns may land him in jail or dead Growing up in a drug infested neighborhood filled with junkies and criminals doesn't make his situation any better And like most young black men and women he's living in a single parent home with his mother He doesn't have a father figure therefore he turns to a local dealer to fill that image of a father Kalif must make a choice Will it be Hustling or Hooping And he must make this

decision fast because his dreams and life may depend on it Many young inner city athletes and those not into sports deal with the pressures of everyday life And many find it hard to deal with especially if they don t have anyone to talk to Hustling or Hooping may be a fictional book but there is a Kalif Brown in every urban city in the U S Many young black men grow up fatherless and turn to the streets for a family The out come is usually negative But many do make it out of their situations This book is highly recommended for any young man or woman who is growing up in a negative environment and feels as though he or she cannot make that change for the good This book can be a tool to make that negative situation a positive one But also this book reveals the consequences of not making that change for the better Theaters of Error Pascale

LaFountain,2018-04-17 This book offers provocative readings of canonical Enlightenment dramas that reflect and shape the period s changing understanding of error With striking interdisciplinary connections to theater treatises as well as works from the philosophical legal and medical discourses it tracks the relocation of error from the moral to the physical realm a movement that begins with Lessing and continues through the turn of the nineteenth century Featuring detailed analyses of Lessing s *Mi Sara Sampson* Diderot s *Le Fils naturel* Schiller s *Die R uber* and Kleist s *Die Familie Schroffenstein* alongside rich close readings of diverse primary sources ranging from previously untranslated acting treatises by Sainte Albine and Engel to texts from the German *Archiv des Criminalrechts* this study introduces the reader to new Enlightenment sources and compellingly concludes that ultimately it is no longer evil but rather bodily irregularities and mistakes in reading the body that become the driving principle of Enlightenment drama **Human Action Signs in Cultural Context** Brenda

Williams,2017-09-12 Former FOX News host and attorney Eboni K Williams believes that women shouldn t hide their beauty Instead they should embrace it as a positive and powerful asset Williams describes how her own career has been positively influenced by making strategic and intentional decisions about her appearance what works best and when all while staying true to her own personal style and values Regardless of the decade whether they were entering the workforce seeking a leadership role or looking to ascend to the C suite women and even men have always felt the professional need to

embody a certain aesthetic appeal and individual personal power Women especially have been sold the lie that being pretty comes at the expense of being taken seriously and that being pretty and being capable are mutually exclusive In *Pretty Powerful Appearance Substance and Success* Eboni K Williams encourages readers to reject the knee jerk reaction to be shamed by this potential advantage and to stop leaving this incredibly powerful asset unused In each chapter Williams is joined by other powerful women like Meghan McCain Marcia Clark and Desiree Rogers and explores how many others have learned to balance their prettiness with substance to both look the part and express their intelligence in a way that is authentic and respected While opinions may have differed through time one fact remains a personal pretty brand is perhaps the most immediate and obvious tool in a woman s professional arsenal [Stern's Performing Arts Directory](#) ,1987
