Bamboo Fly Rod Suite:

Bamboo Fly Rod Suite Frank Soos,2011-08-15 After he was handed an old broken down bamboo fly rod Frank Soos waited several years before he cautiously undertook its restoration That painstaking enterprise becomes the central metaphor and the unifying theme for the captivating personal essays presented here With sly wit and disarming candor Soos recounts fly fishing adventures that become points of departure for wide ranging ruminations on the larger questions that haunt him Coming to terms with his new rod in *On Wanting Everything* Soos casts a skeptical eye on the engines of consumerism and muses on the paradox of how a fishing rod that becomes too valuable ceases to be useful The *Age of Imperfection* begins as a rueful account of his botched repair work but soon changes into an insightful reflection on the seductiveness of perfection and finishes as an homage to the creative power that comes from mistakes In *Useful Tools* Soos takes a decidedly pessimistic look at the age old quest to combine the good with the beautiful and concludes with an eloquent appreciation of a good tool put to an unintended use *On His Slowness* offers fresh new perceptions about the human costs of the ever accelerating pace of contemporary life and the increasingly hard work of resisting it More than a meditation on suicide *Obituary with Bamboo Fly Rod* engages the issue of individual human responsibility and the ultimate question of How to be with equal parts humility and wonder This elegant volume is handsomely illustrated with the full color paintings of Alaskan artist Kesler Woodward Rich in wisdom and physical appeal *Bamboo Fly Rod Suite* is a distinctive and rewarding book with wide ranging appeal [A Master's Guide to Building a Bamboo Fly Rod](#) Everett E. Garrison, Hoagy B.

Carmichael,2016-05-31 Learn the science and art of creating a one of a kind bamboo fly rod Fly fishing has a long and storied history While many flyfishermen will find and purchase their favorite fly rod there are those who desire to go a step further For those discerning flyfishermen and women simply buying a rod is not enough they must build one And just as fly fishing is an art so is the creation of the bamboo fly rod Many people believe that the best feeling rods particularly for trout fishing are made from bamboo and today s bamboo rod making tradition is particularly indebted to one man Everett E Garrison Using principles he learned as an engineering student Garrison created an exacting method of building rod a method that for decades was a well kept secret These techniques are presented to the reader in *A Master s Guide to Building a Bamboo Fly Rod* a classic volume written by Hoagy B Carmichael to honor and maintain Garrison s legacy Completely illustrated with black and white drawings and over three hundred and sixty black and white photographs along with copious notes on the mathematical and engineering principles that underlie Garrison s unique rod making technique this book will guide you through each step of creating a classic bamboo fly rod Skyhorse Publishing is proud to publish a broad range of books for fishermen Our books for anglers include titles that focus on fly fishing bait fishing fly casting spin casting deep sea fishing and surf fishing Our books offer both practical advice on tackle techniques knots and more as well as lyrical prose on fishing for bass trout salmon crappie baitfish catfish and more While not every title we publish becomes a New York Times bestseller

or a national bestseller we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home

Unpleasantries Frank Soos,2016-06-01 Even from upside down in his recently flipped truck Frank Soos reveals himself to be ruminative grappling with the limitations of language to express the human condition Moving quickly skiing in the dark or taking long summer bike rides on Alaska highways Soos combines an active physical life with a dark and difficult interior existence wrestling the full span of thinking and doing onto the page with surprising lightness His meditations move from fly fishing in dangerously swift Alaska rivers to memories of the liars and dirty joke tellers of his small town Virginia childhood revealing insights in new encounters and old preoccupations Soos writes about pain and despair aging his divorce his father's passing regret the loss of home and the fear of death But in the process of confronting these dark topics he is full of wonder As he writes at the end of an account of almost drowning Bruised but whole I was alive alive alive

Casting into Mystery Robert Reid,2020-01-10 Every time I leave the world of work family and community to wade into a river with fly rod in hand I enter a sacred space that sometimes finds expression in the written word In *Casting into Mystery* writer Robert Reid and wood engraver Wesley W Bates avid anglers both put ink to paper in homage to the venerable sport of fly fishing Through text and image they recall with fondness the company of rivers each is grateful to know providing a glimpse inside a sporting culture teeming with literature art and music Part memoir part objet d art and part field guide *Casting into Mystery* will delight passionate fly fishing practitioners and armchair anglers alike

The Complete Guide to Book Marketing David Cole,2010-02-16 With an intense focus on strategy that won't be found in any other guide this invaluable resource will be of immediate help to publishers authors and most anyone who wants to succeed in the publishing industry Completely updated and expanded with an enhanced focus on selling outside traditional channels *The Complete Guide to Book Marketing* features systematic results oriented approaches to reaching the largest amount of readers for the least amount of money Readers will find no nonsense advice for building a publishing identity cultivating feedback from your audience and implementing an effective publicity campaign This new edition also features a brand new section on marketing to the lucrative education market as well as new information on e book marketing print on demand and marketing backlist and reprint titles Allworth Press an imprint of Skyhorse Publishing publishes a broad range of books on the visual and performing arts with emphasis on the business of art Our titles cover subjects such as graphic design theater branding fine art photography interior design writing acting film how to start careers business and legal forms business practices and more While we don't aspire to publish a New York Times bestseller or a national bestseller we are deeply committed to quality books that help creative professionals succeed and thrive We often publish in areas overlooked by other publishers and welcome the author whose expertise can help our audience of readers

Deep Trout William Washabaugh,2020-05-26 On the surface fishing is all about casting catching and communing with nature but on a deeper level the sport is filled with mysteries and contradictions Why do people fish

How does a desire to return to nature go hand in hand with high tech gadgetry How is it possible to see other people s fishing as despoiling nature but not one s own What does the long and complex history of the sport reveal Like so much else in life what fishing says about society and the people in it both past and present is hidden from view and almost never discussed This book is a considered foray into the leisure sport of fishing by an avid fisherman who is also a professional anthropologist Those who enjoy the sport tend to extol its naturalness fishing enables them to commune with nature at its most primeval However if it s called natural it s probably a great spot to trawl for clues as to how people manage larger cosmic issues Call it natural the author quips and the anthropologists will come Is fishing an uncomplicated activity or is it deeply meaningful What does it say about culture Is the recent resurgence of interest in the sport simply a reflection of more disposable incomes and more leisure time What is the connection between fishing and Santa Claus fishing and flamenco And finally what is the best way to kiss a trout Unlike most books on fishing which focus on the tale or on how to this book shows that there is much more lurking beneath the surface than fish

Unified Field Theory Frank Soos,2010-03-01 A collection of stories on general subjects In Trip to Sometimes Island a man realizes the limit of his ability When the Hoot Owl Moves Its Nest is on a wife s adultery while If You Meet the Buddha by the Road is on a precocious student

Wheels on Ice Jessica Cherry, Frank Soos,2022-12 *Wheels on Ice* reveals Alaska s key role in bicycling both as a mode of travel and as an endurance sport as well as its special allure for those seeking the proverbial struggle against nature This collection opens with the first bicycle boom and the advent of the safety bicycle in the late 1800s at approximately the same time gold was discovered in Alaska and the Yukon Territory As bicycles evolved Alaskans were among the first to innovate the fatbike for example evolved from the mountain bike in the late 1980s into a wider framed bike with fatter tires making snow biking more accessible and giving birth to the Iditabike race More recently ultra endurance cyclist Lael Wilcox rode all the major roads in the state totaling more than 4 500 miles of gravel and pavement Jessica Cherry and Frank Soos s diverse group of stories covers cycling both past and present From riders commuting in every kind of weather to those seeking long distance adventure in the most remote sections of the United States these stories will inspire cyclists to ride into their own stories in Alaska and beyond

A Master's Guide to Building a Bamboo Fly Rod Everett Garrison, Hoagy B. Carmichael,1977 Chelsea,2001

The AWP Official Guide to Writing Programs David W. Fenza,1999 The Alaska Reader Anne Hanley, Carolyn Kremers,2005 More than 1 3 million people visit Alaska each year to experience its unique history abundant wildlife diverse cultures and natural beauty This book enriches that experience Here is a collection of authentic voices oral and written that depicts Alaska with intelligence integrity and authenticity Encompassing classic and contemporary writers and storytellers established and new insiders and outsiders this anthology includes fiction nonfiction poetry and oral tradition Several books that have recently gained national attention are highlighted Seth Kantner s *Ordinary Wolves* Marjo

Fishing the Northwest Glen A. Love,2000 The Pacific Northwest is fishing country distinguished and defined by rivers

streams lakes reservoirs estuaries and an ocean And where there s fishing there is bound to be writing about fishing because as Thomas McGuane observed you can t say enough about it *Handcrafting Bamboo Fly Rods* Wayne Cattanach,2005-11-01 The bamboo fly rod still represents the pinnacle of the fly fishing art its apparent simplicity and delicacy belie the craftsmanship and strength that are the hallmarks of all great rods A growing number of people have tried to learn the art of making bamboo rods from a shrinking number of secretive craftsmen The revised and expanded *Handcrafting Bamboo Fly Rods* is the definitive reference for beginners and experts alike Wayne Cattanach begins by explaining the qualities that distinguish bamboo from all other materials It has a tensile strength akin to steel yet it is very light He describes the process that will take anyone from lengths of hard raw bamboo to a beautiful finished rod with clear step by step instructions and illustrations including how to find the best supplies select tools and materials make heat treaters and binders cut culms straighten bamboo strips plane and stagger strips bind strips apply finishes mount the reel seat ferrules and tip top and much more This is surely the most thorough book available for those who wish to make and fish their own bamboo fly rods *Jeff Herman's Guide to Book Publishers, Editors & Literary Agents 2007* Jeff Herman,2006-12 Presents a guide to the names and specialities of American and Canadian publishers editors and literary agents including information on the acquisition process and on choosing literary agents *The Publishers Weekly* ,1999 **The Georgia Review** ,1999 **Kesler Woodward** Frank Soos,2001 **The Lovely Reed** Jack Howell,1998 Once considered relics doomed by modern materials bamboo fly rods are enjoying a renaissance Culled from conversations with respected rod builders and his own considerable experience building bamboo rods Jack Howell provides a lively step by step book on how to build one s own bamboo fly rod Through humor and reflection he encourages an attitude of devotion to an angling tradition Bamboo rods feel great in addition to carrying all the aesthetic advantages of an object lovingly handcrafted from natural materials they more vividly transfer every physical sensation of fly fishing the cast the strike the fight Indeed bamboo rod making reaffirms fly fishing s genteel underpinnings as it recalls the romance folklore and literature of the sport Experienced rod builders will find new insights into time honored techniques For the beginner this book demystifies the complexities of the craft making bamboo rod building accessible and enjoyable Comprehensive chapters instruct on the best bamboo for fly rods treating and caring for bamboo cane prior to construction essential tools and materials bamboo preparation rod design care for the rod and selecting a reel seat Over 150 photos illustrate each step and complement the book s accessible approach to a complex craft A book by an enthusiast for enthusiasts readers will find bamboo rod building an engrossing occupation for the hands and an escape for the mind *Trout* ,2001
