Baizecovered Table With Decanter:

Baize-covered Table with Decanter Vladimir Makanin,1995 The hero of Baize Covered Table undergoes a searching bureaucratic investigation that staple of the old Soviet and even older Russian police state With the naked intensity of personal nightmare the hero visits and returns to the stark scene of his inquisition the bare room the table the ever present decanter and behind the table those recurring phantoms The Party Man The Young Wolf The Almost Pretty Woman The One Who Asks the Questions *Reference Guide to Russian Literature* Neil Cornwell,2013-12-02 First Published in 1998 This volume will surely be regarded as the standard guide to Russian literature for some considerable time to come It is therefore confidently recommended for addition to reference libraries be they academic or public Literature, History and Identity in Post-Soviet Russia, 1991-2006 Rosalind J. Marsh,2007 The aim of this book is to explore some of the main pre occupations of literature culture and criticism dealing with historical themes in post Soviet Russia focusing mainly on literature in the years 1991 to 2006 introd **Captives and Latest Booker Winners** Наталия Перова,A. L. Tait,1996 When the Booker Prize Committee decided to institute a special Booker Russian Novel Prize there were no other literary prizes in the post perestroika Russia the official Soviet prizes for literature having been abolished shortly after the collapse of communism when most state subsidized publishing also closed down This left Russian authors with little choice but to flee abroad in search of employment and publishers while most of those who stayed declared that the end of Russian literature had arrived and set about dividing up the property of the Writer s Union among themselves Authors who earlier had not been published for political reasons now were not published for economic reasons But Russian literature did not die It went through a period of crisis together with the rest of the country and gradually began to recover bringing forth of profusion of styles and a new freshness of vision Into the atmosphere of confusion reigning in literary circles and the overall public indifference to literary developments the Booker Prize came like Santa Claus offering not only a substantial money prize which after all can only be awarded to one writer each year but an exciting literary race which generated much needed publicity for everyone involved In spite of mutterings from the nationalistically minded that Russian writers should be ashamed of themselves for accepting money from abroad the excitement generated by the Booker Prize spread like wildfire with heated debate breaking out in the press and among critics and readers alike Passions ran high and public interest in literature was markedly boosted Perhaps however the greatest achievement of the Booker Prize to date is the fact that it has inspired a number of Russia s new rich to institute national prizes themselves Let us hope that this process of revealing new talent and giving publicity to short listed authors will ultimately lead to change in the publishing business in Russia Russian publishers currently focus on translated literature which the Russian public was starved of under the Communists and which naturally excites much interest today They are not at present in any great hurry to publish new Russian authors The time will come however when Russia s readers will want to know what has been happening in their own culture all this time and at that moment they will be particularly

appreciative of all the present efforts to preserve Russian culture which in the past has given the world so many outstanding writers True to our commitment to acquaint publishers and readers with the winners of the Booker Russian Novel Prize we offer excerpts from the short listed novels of 1994 with comments by the chairman of that year s jury Lev Anninsky All the excerpts selected read like complete stories and so can be enjoyed by the specialist and the general reader alike As in previous years the Booker Prize spotlighted nearly all the outstanding novels published in the preceding year and simply by showing a sustained interest in the Russian novel it encouraged authors to turn back to this genre from the short story and non fiction which had been dominating Russian writing in the past few turbulent years The third year of the Booker Games produced another rich display of varied and well written works There is no doubt that in the country of Tolstoy and Dostoyevsky the standard of creative writing has never fallen Now that most of the previously banned works have been published we can see that in each decade of this century at least a dozen excellent authors were actively writing even though they could not always publish their works officially The 1994 short list as well as the long list has shown up several definite trends in themes and styles Writers are trying to take a fresh look at Russia s past from the vantage point of the present day and with the new knowledge that has come to light in recent years Okudzhava Dolinyak Levitin Buida They enjoy delving into formerly forbidden subjects such as religion sex the subconscious crime Slapovsky Aleshkovsky Eppel Klimontovich Galperin Biographies and autobiographies mainly re appraisals of the past are very popular There is much experimentation in style and form Each year new literary discoveries from previous decades are still being made works that for various reasons but mainly because of their unorthodox nature have remained unpublished to this day Suffice it to recall that the present collection opens with a story by the first Russian Booker Prize winner Mark Kharitonov which was written in 1975 but published only in 1994 or take Asar Eppel who has been writing fiction all his life but only recently been able to publish some of it instantly gaining a national reputation or two outstanding poets Georgy Mark and Genrikh Sapgir whose long overdue fame came to them only in their later years There is every reason to suppose that the full history of Russian literature had not yet been written not all its treasures have been retrieved from the obscurity of the archives and we can still look forward to exciting new surprises Vladimir Makanin s *The Captive of the Caucasus* which gives this collection its name is one vivid example of the illusory nature of man s freedom We are all in some sense captives captives of a political system of circumstances of our obligations or our illusions to say nothing of those who are captives in a literal sense The world seems to be full of misplaced people trapped in captivity of one kind or another sometimes self imposed but feeling nonetheless alienated from the hostile world around them In Makanin s novella the invaders find that they are the captives of the country they have conquered In Victor Pelevin s *Tambourine for the Upper World* enterprising girls resuscitate corpses from the battlefields of WW II so as to marry them and get themselves out of Russia Emigres too are eternal captives of their former homeland and their Soviet past their loyalties torn between a Russia they are losing touch with and the land that gave them

asylum but where they are unable to strike roots Zinovy Zinik's *The Moth* Vassily Aksyonov's *Palmer's First Flight* Georgy Vladimov winner of the 1995 Booker Russian Novel Prize features a decent Second World War army commander caught in a web of intrigue with all his subordinates spying on him for the army's secret police A General and his Army Oleg Pavlov recently released from the army depicts a platoon guarding a present day prison camp where the convicts and the guards are both equally prisoners of the huge merciless state machinery An Official Tale Yevgeny Fyodorov who spent many years in Stalinist gulags describes his personal experiences in surviving and preserving his sanity in *Odyssey* Alexander Terekhov sets his novel *The Rat* killer in post perestroika provincial Russia where not much has changed for the little man and totalitarian rule effortlessly prevails Mark Shatunovsky depicts a man and a woman locked into their private lives and not venturing out into a warring world they are little interested in Despite the unifying theme the aim of this as of the other issues of *Glas* is to present contemporary Russian literature as it happens Traditionally we have offered excerpts from the novels short listed for the Booker Russian Novel Prize to give publishers abroad an opportunity of acquainting themselves with what Russian critics have considered the best novels of the previous year In his notes Stanislav Rassadin Chairman of the jury of last year's Booker Russian Novel Prize shares his thoughts on the current state of Russian writing

Captives Natalii Perova, Natalii Petrova, Joanne Turnbull, 2005 Now classics in Russian literature these stories focusing on the theme of captivity have again become relevant today given Russia's growing bureaucratic totalitarianism and the unending war in the Caucasus The stories are grouped in two sections *The Perestroika* Chaos and Remembering the Soviet Past The first section often verging on the absurd conveys the chaos in the lives and minds of ordinary Russians in the face of unfamiliar market conditions These problems caused many of those unable to adapt to them to feel nostalgic for the seemingly secure Soviet past The second section is a reminder of that Soviet past for those including some left wing intellectuals in the West who tend to forget its inhuman essence Book Jacket
