Bandini French Language:

A Sociological Approach to Poetry Translation Jacob S. D. Blakesley, 2018-10-31 This volume provides an in depth comparative study of translation practices and the role of the poet translator across different countries and in so doing demonstrates the need for poetry translation to be extended beyond close reading and situated in context Drawing on a corpus composed of data from national library catalogues and Worldcat the book examines translation practices of English language French language and Italian language poet translators through the lens of a broad sociological approach Chapters 2 through 5 look at national poetic movements literary markets and the historical and socio political contexts of translations with Chapter 6 offering case studies of prominent and representative poet translators from each tradition A comprehensive set of appendices offers readers an opportunity to explore this data in greater detail Taken together the volume advocates for the need to study translation data against broader aesthetic historical and political trends and will be of particular interest to students and scholars in translation studies and comparative literature

Popular Government and Oligarchy in Renaissance Italy Christine Shaw, 2006-10-01 This book is an examination of the nature of the governments of towns and cities great and small in Renaissance Italy and of why oligarchic regimes were becoming increasingly prevalent Themes and questions arising from a case study of the dramatic changes in the government of fifteenth century Siena form the basis for the analysis of popular government and oligarchy throughout Italy from Piedmont and the Veneto to Sicily and of how they were shaped by social change institutional developments and external threats and pressures especially war In a field dominated by local studies this comparative approach provides a fresh understanding of the important problem of how and why broadly based governments were losing ground to oligarchy throughout Italy

Echo Five David Chacko, 2008 Echo Five takes place at the end of the world where terror is the norm and the heat arrives from the rim of hell Jason Ender who has been assigned to debrief high value terrorists in the Horn of Africa finds himself caught in a rising tide of violence that begins with the death of a young female interrogator Echo Five and ends with the discovery of a plot that threatens to pull the plug on the petroleum lifeline to the West

Narrative and Critical History of America: Spanish explorations and settlements in America from the fifteenth to the seventeenth century Justin Winsor, 1886 *New Afterword by the Author* Anselm Jappe, 1999-08-05 This is the first serious intellectual biography of Guy Debord prime mover of the Situationist International 1957 1972 and author

of *The Society of the Spectacle* perhaps the seminal book of May 1968 in France Anselm Jappe rejects recent attempts to set Debord up as a postmodern icon arguing that he was a social theorist in the Hegelian Marxist tradition not a precursor of Jean Baudrillard but an heir of the young Georg Lukács of *History and Class Consciousness* 1923 Neither hagiographical nor sectarian Guy Debord places its subject squarely in his historical context the politicizing Letterist and Situationist anti artists who in the European aftermath of World War II sought to criticize and transcend the Surrealist legacy The book offers a lively critical and unusually reliable account of Debord's last avant garde on its way from radical bohemianism to revolutionary theory Jappe also discusses Debord's films which are largely inaccessible at present This English language edition of the book has been revised by the author and features an updated critical bibliography of Debord and the Situationists
