Contemporary Authors New Revision Series, 2003 A biographical and bibliographical guide to current writers in all fields including poetry fiction and nonfiction journalism drama television and movies Information is provided by the authors themselves or drawn from published interviews feature stories book reviews and other materials provided by the authors publishers *Flying Star Feng Shui* Stephen Skinner, 2002-11-15 *Flying Star Feng Shui* adds a new time dimension to feng shui practice reflecting the fact that the subtle energies present in our living environment are constantly changing The flying star combinations make it possible to respond to or prepare for these changing energy situations These methods produce impressive and rapid results and can both shorten periods of bad luck while initiating or prolonging periods of good fortune These concepts have previously been available only from a few untranslated or highly technical sources Author Stephen Skinner has an international reputation as a poplizer of feng shui concepts for Western readers In *Flying Star Feng Shui* he introduces one of the most effective and popular aspects of feng shui practice today **The Prophecies of Nostradamus and the World's Greatest Seers and Mystics** Francis King, Stephen Skinner, Carlton Books, Dr Stephen Skinner, 2002-02-04 This book contains hundreds of predictions covering dates from now up to the year 2100 not only by Nostradamus himself but by other great and famous mystics *Feng Shui for the Home* Sasha Fenton, 2000 The ancient Chinese art of Feng Shui exists to create a harmonious environment in tune with the forces of nature It could be thought of as the earliest green philosophy The name literally means wind and water because like the breeze or the meandering stream the energies of heaven and earth should flow gently through our lives our gardens and more to the point of this book our homes This practical and easy to use guide gives you all the information needed to start applying this mystical art to your home Fully illustrated throughout with colour photographs and step by step diagrams this title will take the most inexperienced practitioner through a clear introduction to this ever popular method of life improvement *The Global Innovator* Hesham Hafez, Kenneth Lipartito, Patricia Watson, 2022-01-25 What makes a society innovative Tracing the story of five great civilizations from ancient Egypt Greece and Rome to the Middle East Europe the United States and China this book will tell

you History offers us a model and lessons for what can be done right and it shows how once mighty and innovative societies can fall The story here departs from pundits who believe that the Western or American style political and legal system is universally best for economic success At various times China the Middle East and elsewhere were the great engines of innovation later leadership passed to Europe and the United States As some places rose to the top of science and technology others fell away And some like China rose again The lessons of history are clear Centers of innovation learn from and borrow ideas practices and technologies from elsewhere They adapt ideas and practices to add new value They activate strengths of their population through education cultural openness and access to financial resources They build strong institutions that pursue new knowledge and reject orthodoxy At a time when the world seems to be closing doors to the talented and pulling back from global engagement when suspicion of the foreign is running high we may be losing the essential traits that make for innovation the most important of all assets for the future of the human race

Shinto Shrines Joseph Cali, John Dougill, 2012-11-30 Of Japan's two great religious traditions Shinto is far less known and understood in the West Although there are a number of books that explain the religion and its philosophy this work is the first in English to focus on sites where Shinto has been practiced since the dawn of Japanese history In an extensive introductory section authors Joseph Cali and John Dougill delve into the fascinating aspects of Shinto clarifying its relationship with Buddhism as well as its customs symbolism and pilgrimage routes This is followed by a fully illustrated guide to 57 major Shinto shrines throughout Japan many of which have been designated World Heritage Sites or National Treasures In each comprehensive entry the authors highlight important spiritual and physical features of the individual shrines architecture design and art associated festivals and enshrined gods They note the prayers offered and for travelers the best times to visit With over 125 color photographs and 50 detailed illustrations of archetypical Shinto objects and shrines this volume will enthrall not only those interested in religion but also armchair travelers and visitors to Japan alike Whether you are planning to visit the actual sites or take a virtual journey this guide is the perfect companion Visit Joseph Cali's Shinto Shrines of Japan The Blog Guide <http://shintoshrinesofjapanblogguide.blogspot.jp> Visit John Dougill's Green Shinto dedicated to the promotion of an open international and environmental Shinto <http://www.greenshinto.com/wp>

Fengshui in China Ole Bruun, 2011 For well over a century Chinese fengshui or geomancy has interested Western laymen and scholars Today hundreds of popular manuals claim to use its principles in their advice on how people can increase their wealth happiness longevity and so on This study is quite different approaching fengshui from an academic angle The focus is on its significance in China but the recent history of its reinterpretation in the West is also depicted The author argues that fengshui serves as an alternative tradition of cosmological knowledge which is used to explain a range of

everyday occurrences in rural areas such as disease mental disorders accidents and common mischief The study includes a historical account of fengshui over the last 150 years augmented by the results of anthropological fieldwork on contemporary practices in two Chinese rural areas *Lillian Too's Practical Feng Shui Symbols of Good Fortune* Lillian Too,2000
