California Diary Of General E D Townsend:

The California Diary of General E. D. Townsend Edward Davis Townsend,1970 **Indians and Emigrants** Michael L. Tate,2014-08-04 In the first book to focus on relations between Indians and emigrants on the overland trails Michael L. Tate shows that such encounters were far more often characterized by cooperation than by conflict Having combed hundreds of unpublished sources and Indian oral traditions Tate finds Indians and Anglo Americans continuously trading goods and news with each other and Indians providing various forms of assistance to overlanders Tate admits that both sides normally followed their own best interests and ethical standards which sometimes created distrust But many acts of kindness by emigrants and by Indians can be attributed to simple human compassion Not until the mid 1850s did Plains tribes begin to see their independence and cultural traditions threatened by the flood of white travelers As buffalo herds dwindled and more Indians died from diseases brought by emigrants violent clashes between wagon trains and Indians became more frequent and the first Anglo Indian wars erupted on the plains Yet even in the 1860s Tate finds friendly encounters were still the rule Despite thousands of mutually beneficial exchanges between whites and Indians between 1840 and 1870 the image of Plains Indians as the overland pioneers worst enemies prevailed in American popular culture In explaining the persistence of that stereotype Tate seeks to dispel one of the West s oldest cultural misunderstandings *The City of Vines* Thomas Pinney,2017-12-07 The author of *A History of Wine in America* recounts the beginnings of California s wine trade in the once isolated pueblo now called Los Angeles Winner of the 2016 California Historical Society Book Award With incisive analysis and a touch of dry humor *The City of Vines* chronicles winemaking in Los Angeles from its beginnings in the late eighteenth century through its decline in the 1950s Thomas Pinney returns the megalopolis to the prickly pear studded lands upon which Mission grapes grew for the production of claret port sherry angelica and hock From these rural beginnings Pinney reconstructs the entire course of winemaking in a sweeping narrative punctuated by accounts of particular enterprises including Anaheim s foundation as a German winemaking settlement and the undertakings of vintners scrambling for market dominance Yet Pinney also shows Los Angeles s wine industry to be beholden to the forces that shaped all California under the flags of Spain Mexico and the United States colonial expansion dependent on labor of indigenous peoples the Gold Rush population boom transcontinental railroads rapid urbanization and Prohibition This previously untold story uncovers an era when California wine meant Los Angeles wine and reveals the lasting ways in which the wine industry shaped the nascent metropolis [Catalog of Copyright Entries. Skelton,1992 Following the formation of a regular army in 1784 a popular distrust of military power and the generally unsettled nature of national administration kept the army in a continual state of fluctuation both in terms of organisation and size Few officers were making a long term commitment to military service But by 1860 a professional army career was becoming a way of life In that year 41.5 percent of officers had served 30 years compared to

only 26 percent in 1797 Bringing Them Under Subjection George Harwood Phillips, 2004-01-01 The final book in a three volume history of California's Native peoples Bringing Them Under Subjection chronicles the development and demise of the state's first permanent reservation the Sebastian Military Reserve better known as the Tejon Reservation George Harwood Phillips explains how local Native peoples were instrumental in the initial success of the reservation and how the institution was undermined by squatters and a Native policy emphasizing caution over innovation Because the scope of the study encompasses most of the San Joaquin Valley in central California events related to but unfolding beyond the reservation are also given considerable attention in particular the founding and functioning of quasi reservations called Indian farms the resistance offered by Native peoples in the southern valley the degradation they underwent in the gold fields and the survival of their progeny to the present Drawing upon Native oral testimony and the accounts of state and federal officials military officers newspaper reporters settlers miners and ranchers Phillips provides a detailed and balanced account of a volatile period in California history George Harwood Phillips is a professor emeritus of history at the University of Colorado He is the author of several books about California Native peoples including the first two volumes in this series Indians and Intruders in Central California 1769-1849 and Indians and Indian Agents The Origins of the Reservation System in California 1849-1852
