California Treasure:

Lost California Treasure W. Craig Gaines, 2023 Tales of California's buried treasures, lost mines and hidden loot From the Pacific Ocean to the eastern Sierra Nevada Mountains California is bursting with rumors of lost riches Sunken cargo from the steamship Brother Jonathon is rumored to still be out there awaiting discovery as well as the location of the famous lost Breyfogle Mine Outlaws like Three Finger Jack and Joaquin Murrieta were said to have stashed their loot while evading law enforcement and Sir Francis Drake's English pirates buried treasures all along the coast Deep underground and underwater a bounty waits for some lucky prospector Join author W Craig Gaines as he unearths stories of legendary and historic lost treasures yet to be found in the Golden State **Lost Treasures of California ? Map and Guide** Academia

Maps®, 2014-10-15 Nothing stirs the imagination quite so much as the lure of hidden treasure Stories of buried chests laden with gold and jewels or hidden stashes of gold coins combine the allure of fabulous riches with the excitement of adventure A good legend of treasure is like a perfect storm for a creative imagination Avid treasure hunters know and casual treasure hunters soon learn that the rich nuggets found while hunting for treasure may not be gold ore but legends and stories that will inspire and delight generations while sometimes connecting us to deeply personal histories of the real people behind the stories This is not a guide that points out where to dig Let this be your guide to the beginning of a search for more information Many of the sites indexed on the map are on private property or state lands that require official permission to access Most reasonable people would conclude that if the exact location of buried or hidden treasure was known and obvious the treasure would no longer be there The map points us to the vicinity of the legend either where the legend originates from or where it points to our best effort is made to indicate the most important places that relate to the legends of the treasures
