A person wearing a yellow jacket is standing in a grassy field, holding a white sign with the letters 'SOS' written on it. In the background, there is a large industrial facility with several tall smokestacks emitting thick white smoke into a cloudy, overcast sky. The overall scene suggests an environmental protest or a call for action regarding air quality and industrial emissions.

Call To Humanity:

Journeys in Holy Lands Reuven Firestone, 1990-07-05 Scholars have long pointed to the great affinity between stories found in the Bible and the Qur'an yet no explanation has been proposed that satisfactorily explains the odd combination of incredible likeness and unique divergence Firestone provides a refreshing new approach to scriptural issues of textuality exegesis and the origins and use of legend This book clearly presents the full range of Islamic legends from the Qur'an and early Islamic exegesis about Abraham's journeys and adventures in the Land of Canaan and Arabia many of them available for the first time in English translation The author examines this broad sample of Islamic legends in relation to those found in Jewish Christian and pre-Islamic Arabian communities and postulates an evolutionary journey of the literature He presents a thorough textual analysis of the material and proposes a model for understanding early Islamic narrative based in literary theory approaches to comparative religion and the history of the pre-Islamic and early Islamic Middle East
