## **Call For Democracy In Sudan:**

The Call for Democracy in Sudan John Garang,1992 This is a comprehensive and moving account of the founding and objectives of the Sudan People's Liberation Movement SPLM and the Sudan People's Liberation Army SPLA Both these organizations were established by John Garang de Mabior who born and brought up in Southern Sudan has fought passionately for democracy there He believes the aspirations of the Sudanese people should not be affected by race religion or sex This second edition containing four new chapters presents the historical factors leading to the founding of the Movement and provides a clear picture of the means by which it hopes to achieve its objective of freedom for the country as a whole It traces the efforts of the SPLM to achieve a peaceful settlement of Sudan's problems since the failure of the Koka Dam initiative and provides a fully documented account of the peace negotiations The book concludes with John Garang's reactions to the failure of Sudan's third parliamentary democracy and the initiation of Sudan's third military dictatorship in June 1989

**John Garang Speaks** John Garang,1990 *Nationalist Passions* Stuart J. Kaufman,2015-11-06 Nationalist and ethnic conflict can take many forms from genocidal violence and civil war to protest movements and peaceful squabbles in democracies Nationalist Passions poses a stark challenge to extreme rationalist understandings of political conflict Stuart J Kaufman elaborates a compelling theory of ethnic politics to explain why ethnic violence erupts in some contexts and how peace is maintained in others At the core of Kaufman's theory is an assertion that conflicts are initiated due to popular symbolic predispositions biases of all kinds and perceptions of threat Kaufman puts his theory to the test in a range of conflicts He examines some highly violent episodes among them the Muslim rebellion in the southern Philippines beginning in the 1970s the civil war in southern Sudan that began in the 1980s and the Rwanda genocide of 1994 Kaufman also analyzes other situations in which leaders attempted to tame the violence that nationalist passions can generate In India Mahatma Gandhi mobilized an overtly nonviolent movement but failed in his efforts to prevent the rise of Muslim Hindu communal violence In South Africa Nelson Mandela and F W de Klerk ended apartheid but not without terrible cost more than fifteen thousand people died while the negotiations were under way In Tanzania however Julius Nyerere led one of the few ethnically diverse countries in the world with almost no ethnic violence Nationalist Passions is essential reading for policymakers international aid workers and all others who seek to find the best possible outcomes for future internal and interstate clashes

*African Democracies and African Politics* M.A. Mohamed Salih,2001-08-20 Challenging orthodox views on contemporary

African politics and democracy M A Mohamed Salih offers a fresh approach to the topic emphasising the role of ethnicity and religion in particular that of minorities His central theme is that government donors from Western nations have imposed Western style democracy in Africa ignoring the indigenous politics of the region often resulting in chaos As a consequence many African societies are divided by ethnicity Revealing how minorities are inevitably marginalised in all aspects of development and education Salih shows how in many instances they are treated as enemies of the state as are the opposition parties He examines democracy and authoritarian development in a pan African context and the democratic potential of political education and provides a range of country specific case studies including multi party democracy in Sudan democratising anarchy in Sierra Leone religious violence in Obasanjo s Nigeria and ethnic federalism in Ethiopia

**First Kill Your Family** Peter Eichstaedt,2013-04-01 Richard Opio has neither the look of a cold blooded killer nor the heart of one Yet as his mother and father lay on the ground with their hands tied Richard used the blunt end of an ax to crush their skulls He was ordered to do this by a unit commander of the Lord s Resistance Army a rebel group that has terrorized northern Uganda for twenty years The memory racks Richard s slender body as he wipes away tears For more than twenty years beginning in the mid 1980s the Lord s Resistance Army has ravaged northern Uganda Tens of thousands have been slaughtered and thousands more mutilated and traumatized At least 1 5 million people have been driven from a pastoral existence into the squalor of refugee camps The leader of the rebel army is the rarely seen Joseph Kony a former witchdoctor and self professed spirit medium who continues to evade justice and wield power from somewhere near the Congo Sudan border Kony claims he not only can predict the future but also can control the minds of his fighters And control them he does the Lord s Resistance Army consists of children who are abducted from their homes under cover of night As initiation the boys are forced to commit atrocities murdering their parents friends and relatives and the kidnapped girls are forced into lives of sexual slavery and labor In *First Kill Your Family* veteran journalist Peter Eichstaedt goes into the war torn villages and refugee camps talking to former child soldiers child brides and other victims He examines the cultlike convictions of the army how a pervasive belief in witchcraft the spirit world and the supernatural gave rise to this and other deadly movements and what the global community can do to bring peace and justice to the region This insightful analysis delves into the war s foundations and argues that much like Rwanda s genocide international intervention is needed to stop Africa s virulent cycle of violence
