Call from a Distant Shore Stephen L. Burns,2000 Science fiction roman *Call of a Distant Shore* Corinne Hoebers,2008

Gideon's Call Peter Leavell,2012-10-01 Author Peter Leavell forges an unprecedented tale of tragedy and triumph amid the backdrop of the Civil War through the story of Tad a very clever slave boy who comes of age as America s war reaches the sea islands of South Carolina Tad s desire to better himself is obstructed by the color of his skin until Northern soldiers force the evacuation of white plantation owners setting 10 000 slaves free in a single day These circumstances seem like a dream except that the newly freed slaves have no money no education and little hope for the future unless someone rises up to lead them Based on true events Gideon s Call is the dramatic tale of a young man who battles the shame of his past and faces the horrors of war and unimaginable prejudice to become the deliverer of thousands of freed slaves **The evangelisation of the world** Benjamin Broomhall,1888 *Evangelisation of the World, a Missionary Band* Benjamin Broomhall,1885 Common praise: psalms, hymns, and spiritual songs, for use in the Church of England Common praise,1879 **Avalon Calling** Jennifer Wherrett,2014-05-16 Your myths and legends tell you Avalon is no longer in your world hidden from you as it is by a veil of mist And so it is But the veil of mist is within you Remove the mist you can Remove the mist you must For you see Avalon is your birth right your rightful heritage So come come home Avalon is calling to you Come home Caitlin Alexander makes an instantaneous decision to leave the fast frenetic pace of life in London for the peace and quiet of a small English village in the hope of immersing herself in the writing of her fifth book But her fifth book resists all her attempts to even write its opening pages And then she stumbles across a story of the mysterious disappearances of twelve people from the village nearly two decades ago and her fifth book is all but forgotten Like a bloodhound on a scent she pursues the story of the disappearances obsessively relentlessly And the more she uncovers and discovers the more she feels herself being pulled into their story by forces beyond her control like a novice swimmer caught in a rip As she unravels the mystery of what happened to the twelve people who went missing from the village she finds herself not just pursuing their story but becoming a part of it *The Evangelical Magazine and Missionary Chronicle* ,1845 **The Scottish Paraphrases** Church of Scotland.
